

# TYPE S MATCH BUSHING FULL DIE SETS - 223 REMINGTON BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck.

Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

# Safety Instruction Guide for TYPE S MATCH BUSHING FULL DIE SETS 223 REMINGTON

## Introduction

Thank you for choosing the Redding Type S Match Bushing Full Die Set for your reloading needs. This guide provides important safety information and instructions to ensure safe and effective use of the product. Please read this document carefully before using the die set.

## General Safety Guidelines

- Always ensure that you are using the die set in accordance with the manufacturer's instructions.
- Keep the die set out of reach of children and unauthorized users.
- Inspect the die set for any damage or wear before each use. Do not use if damaged.
- Use personal protective equipment (PPE) such as safety glasses and gloves while reloading.
- Be aware of your surroundings and ensure that you are in a wellventilated area during use.
- Never exceed the recommended load specifications for your cartridges.

## Specific Safety Precautions for Use

- Ensure that the die set is securely mounted to your reloading press before use.
- Always use the correct bushing size for the cartridge you are reloading to maintain proper neck tension.
- When adjusting the bushing, do so gradually and check the fit frequently.
- Avoid overtightening any components, as this may cause damage or lead to unsafe conditions.
- If you notice any unusual noises or resistance while operating the die set, stop immediately and inspect for issues.
- Do not attempt to modify or repair the die set yourself. Seek professional assistance if needed.

## Instructions for Installation and Usage

### 1. Installation:

- Unpack the die set and ensure all components are included.
- Mount the Type S Bushing Full Sizing Die securely to your reloading press using the appropriate tools.
- Attach the Competition Bullet Seating Die to your press, ensuring it is tightened properly.

### 2. Usage:

- Select the appropriate bushing for the cartridge you are reloading.
- Insert the bushing into the sizing die and secure it in place.
- Adjust the sizing die to the desired depth for fulllength resizing.
- Place the cartridge case into the die and operate the press to resize the case.
- For bullet seating, adjust the micrometer on the Competition Bullet Seating Die to your desired bullet length.
- Insert the bullet into the case and operate the press to seat the bullet. Check for proper seating depth.

### 3. PostUsage:

- Clean the die set after each use to remove any residue or debris.
- Store the die set in a dry, cool place to prevent rust or damage.

## Disposal Instructions

- Dispose of any unused components or packaging materials in accordance with local regulations.
- Do not dispose of the die set in regular household waste. Check for recycling or hazardous waste disposal options in your area.

## Contact Information for Further Support

For any questions or concerns regarding the use of the Redding Type S Match Bushing Full Die Set, please contact the manufacturer or your local retailer for assistance. Ensure you have the product information ready when seeking support.

## Conclusion

By following the safety guidelines and instructions provided in this guide, you can ensure safe and effective use of the Redding Type S Match Bushing Full Die Set. Always prioritize safety and compliance with local regulations when reloading ammunition. Thank you for your commitment to safe reloading practices.
