

COMPETITION BUSHING NECK DIES - REDDING COMPETITION BUSHING NECK DIE 264 WIN MAG

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Similar in design concept to Reddings Competition Seating Die, the cartridge case is completely supported and aligned with the sizing bushing before the sizing process begins. As the sizing process starts, the cartridge case remains supported in the tightly chambered, sliding sleeve as it moves upward while the resizing bushing self-centers on the case neck. The decapping rod is maintained in precise alignment by using the internal parts of the die as a linear support much like that of a firing pin. Meanwhile, the micrometer adjustment of the bushing position delivers precise control to the desired amount of neck length to be sized. These dies were designed for use by Competition Shooters who have meticulously prepared their cartridge cases and do not wish to use a sizing button, however, carbide size button kits are available separately. Bushings and shellholders sold separately

Attributes

- Name: [REDDING COMPETITION BUSHING NECK DIE 264 WIN MAG](#)
- Manufacturer: [REDDING](#)
- Product no.: 749007933
- Mfr. No.: 56127

Safety Instruction Guide for Redding Competition Bushing Neck Die 264 Win Mag

Introduction

Thank you for choosing the Redding Competition Bushing Neck Die for your reloading needs. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read this guide carefully before using the die.

General Safety Guidelines

- Always follow the manufacturer's instructions and guidelines when using this product.
- Ensure that you are familiar with the operation of reloading equipment before use.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Inspect the die and its components for any damage or wear before each use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves during the reloading process.
- Store the die in a cool, dry place when not in use to prevent rust and corrosion.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The die is designed for use with specific cartridge cases. Ensure you are using the correct cartridge (264 Winchester) to avoid malfunction.
- Improper use of the die may result in personal injury or damage to the equipment.

- **Avoiding Hazards:**

- Do not attempt to modify or alter the die in any way.
- Ensure that the die is securely mounted in the reloading press before use.
- Do not overload the die beyond its specified limits.
- Always keep your hands and body clear of moving parts during operation.
- Be mindful of the resizing process and ensure that the cartridge case is properly aligned before sizing.

Instructions for Installation and Usage

- **Installation:**

1. Read the manufacturer's instructions thoroughly before installation.
2. Clean the reloading press and ensure it is free of debris.
3. Securely attach the Redding Competition Bushing Neck Die to the reloading press, following the specific instructions provided.
4. Ensure that the die is adjusted to the correct height for the cartridge case being used.

- **Usage:**

1. Insert the cartridge case into the die's sliding sleeve.
2. Ensure that the sizing bushing is properly aligned with the case neck.
3. Slowly operate the reloading press to resize the cartridge case. Monitor the process to ensure proper alignment and support.

4. After resizing, remove the cartridge case from the die and inspect it for any defects or issues.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of the die in regular household waste. Instead, check local guidelines for the disposal of metal and mechanical parts.

Contact Information for Further Support

For any questions or concerns regarding the use of the Redding Competition Bushing Neck Die, please refer to the manufacturer's contact information included with the product packaging or visit the manufacturer's website for additional resources.

By following these safety instructions, you can ensure a safe and efficient reloading experience with your Redding Competition Bushing Neck Die. Thank you for your attention to safety and for choosing our product.
