Safety Instruction Guide for TYPE S BUSHING NECK DIE SETS

Introduction

Thank you for choosing the TYPE S BUSHING NECK DIE SETS for your reloading needs. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the die set.

General Safety Guidelines

- Ensure you are familiar with the reloading process and the specific requirements for your cartridges.
- Always wear appropriate safety gear, including safety glasses, when reloading.
- Keep the reloading area clean and organized to avoid accidents.
- Store all reloading components, including dies, in a safe and secure location, out of reach of children and pets.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use the TYPE S BUSHING NECK DIE SETS with the recommended cartridge, which is 250 Savage.
- Inspect the die set for any signs of damage before each use. Do not use if damaged.
- Follow all manufacturer instructions for the proper setup and use of the die set.
- Ensure that the reloading press is securely mounted and stable before operation.
- Do not exceed the recommended loads for your cartridges as specified in reliable reloading manuals.
- Keep your hands and body clear of the die and press during operation to avoid injury.

Instructions for Installation and Usage

1. Installation

- Remove the die set from the packaging and inspect all components.
- Securely mount the body die in your reloading press according to the manufacturer's instructions.
- Insert the Type S Bushing Neck Die into the press, ensuring it is tightened properly.
- Adjust the die to the desired settings according to your reloading specifications.

2. Usage

- Prepare your cases by cleaning and inspecting them for defects.
- Lubricate the cases as necessary to prevent sticking in the die.
- Insert a case into the reloading press and raise the ram to engage the die.
- Adjust the die as needed to achieve the desired neck tension and sizing.
- After reloading, inspect each round for proper fit and function before use.

Disposal Instructions

- Dispose of any damaged or unusable components of the die set in accordance with local regulations.
- Recycle packaging materials where possible.
- Ensure that all materials are disposed of in a safe manner to prevent environmental harm.

Contact Information for Further Support

For any questions or concerns regarding the TYPE S BUSHING NECK DIE SETS, please refer to the manufacturer's contact information provided in the product packaging. It is important to have access to support for any safety inquiries or additional guidance.

Thank you for prioritizing safety while using the TYPE S BUSHING NECK DIE SETS. Your careful attention to these guidelines helps ensure a safe reloading experience.
