# Safety Instruction Guide for TYPE S BUSHING NECK DIE SETS REDDING 3030 WINCHESTER BUSHING NECK DIE SET

## Introduction

Thank you for choosing the TYPE S BUSHING NECK DIE SETS REDDING 3030 WINCHESTER BUSHING NECK DIE SET. This product is designed to assist reloaders in precisely controlling case neck size and tension. To ensure your safety and the effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the product as intended and according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage or wear before use. Do not use if damaged.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates related to this product on the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of all components of the die set before use.
- Always wear safety glasses to protect your eyes from debris or particles during reloading.
- Use the die set in a wellventilated area to avoid inhaling any dust or fumes.
- Do not exceed the recommended specifications for the reloading process.
- Keep your workspace organized and free from clutter to avoid accidents.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including the die set, a reloading press, and suitable ammunition components.
- Read the instruction manual provided with the reloading press for specific setup guidelines.

### 2. Installation:

- Secure the Body Die in the reloading press according to the manufacturer's instructions.
- Insert the Type S Bushing Neck Die into the press, ensuring it is tightened correctly.
- Use the included wrench to securely fasten all components.

### 3. Usage:

- Start by resizing the brass cases using the Body Die. Follow the reloading press instructions for proper operation.
- Next, use the Type S Bushing Neck Die to achieve the desired neck tension. Adjust the bushing as needed.
- Always check the dimensions of the resized cases with a caliper to ensure proper sizing.

### 4. PostUsage:

- Clean the dies and store them in the provided Redding Die Box to prevent damage.
- Ensure that all components are returned to their proper place after use.

## **Disposal Instructions**

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check with local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries, concerns, or further assistance regarding the TYPE S BUSHING NECK DIE SETS REDDING 3030 WINCHESTER BUSHING NECK DIE SET, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safe and effective reloading experience. Thank you for your attention to safety and for choosing our product.
