

# COMPETITION SEATER DIES - REDDING 338 LAPUA MAGNUM BULLET SEATING DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

We feel the Redding Competition Bullet Seater is the best bullet 7/8-14 bullet seater on the market today. The machining is precise, and the sliding chamber is the smoothest we have ever experienced in a seater. This micrometer-adjustable die is calibrated in .001" increments for precise seating depth adjustments and is infinitely adjustable (no clicks). It also has a zero set feature that allows you to zero the micrometer to your favorite seating depth. Sold separately or as part of a set. Also available for handgun and straight wall cartridges.

# **Safety Instruction Guide for COMPETITION SEATER DIES REDDING 338 LAPUA MAGNUM BULLET SEATING DIE**

## **Introduction**

Thank you for choosing the Redding Competition Bullet Seater for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your bullet seating die. Please read this document carefully before using the product.

## **General Safety Guidelines**

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate safety gear, such as safety glasses, when using reloading equipment.
- Keep the workspace clean and organized to prevent accidents.
- Store the die in a secure place, out of the reach of children and pets.
- Report any unsafe product conditions or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Before using the die, read the manufacturer's instructions thoroughly.
- Do not exceed the recommended seating depth or pressure limits specified by the manufacturer.
- Inspect the die for any signs of wear or damage before each use. Do not use a damaged die.
- Always ensure that the die is securely attached to the reloading press before operation.
- Keep hands and other body parts clear of the die during operation to avoid injury.
- Do not attempt to modify the die or its components in any way.
- Use only compatible cartridges as specified by the manufacturer (in this case, 338 Lapua Magnum).

## **Instructions for Installation and Usage**

### **1. Installation**

- Ensure the reloading press is turned off and unplugged.
- Remove any existing dies from the press.
- Select the appropriate shell holder for the 338 Lapua Magnum cartridge.
- Insert the Redding Competition Bullet Seater into the press and tighten securely.
- Adjust the micrometer to your desired seating depth.

### **2. Usage**

- Prepare your cartridges according to standard reloading practices.
- Place a bullet into the case mouth of the cartridge.
- Insert the cartridge into the shell holder of the die.
- Activate the reloading press to seat the bullet. Ensure the die is properly adjusted for the desired seating depth.
- After seating, remove the cartridge and inspect it for proper bullet seating.
- Repeat the process for additional cartridges as needed.

## **Disposal Instructions**

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the die in regular household waste. Instead, follow local guidelines for the disposal of metal and hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please refer to the manufacturer's contact information provided with the product packaging.
