

MATCHKING 30 CAL (.308) PALMA® HOLLOW POINT BOAT TAIL BULLETS - SIERRA BULLETS, INC. MATCHKING 30 CALIBER (0.308") 155GR PALMA HPBT 500/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Sierra created the 30 caliber 155 grain HPBT PALMA® to fill the long-range demands of the PALMA® and other long range shooters. The PALMA® bullet has a longer, more streamlined 9 caliber ogive, slightly longer OAL and a pointed meplat, which is a first for Sierra Bullets. While they are recognized around the world for record-setting accuracy, MatchKing® and Tipped MatchKing® bullets are not recommended for most hunting applications. Although MatchKing® and Tipped MatchKing® bullets are commonly used for varmint hunting, their design will not provide the same reliable explosive expansion at equivalent velocities in varmints compared to their lightly jacketed Hornet, Blitz or Varminter counterparts.

Attributes

- Name: [SIERRA BULLETS, INC. MATCHKING 30 CALIBER \(0.308"\) 155GR PALMA HPBT 500/BOX](#)
- Manufacturer: [SIERRA BULLETS, INC.](#)

MATCHKING 30 CAL (.308) PALMA® HOLLOW POINT BOAT TAIL BULLETS Safety Instruction Guide

Introduction

Thank you for choosing the MATCHKING 30 CAL (.308) PALMA® HOLLOW POINT BOAT TAIL BULLETS by Sierra Bullets, Inc. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read the entire manual carefully before handling or using the bullets.

General Safety Guidelines

- Ensure that you are of legal age and possess the necessary permits to purchase and use ammunition in your jurisdiction.
- Always treat all firearms and ammunition as if they are loaded.
- Store bullets in a cool, dry place, away from children and unauthorized users.
- Use only in firearms that are specifically designed for .308 caliber ammunition.
- Regularly inspect your firearms and ammunition for signs of wear or damage.
- Follow all local laws and regulations regarding the use and storage of ammunition.

Specific Safety Precautions for Use

- Do not exceed the maximum load specifications provided by your firearm manufacturer.
- Always wear appropriate eye and ear protection when shooting.
- Ensure that the shooting area is safe and free from bystanders or obstacles.
- Avoid using ammunition that has been exposed to moisture or extreme temperatures.
- Do not attempt to modify or disassemble the bullets in any way.
- If a bullet does not fire, wait at least 30 seconds before attempting to remove it from the chamber.

Instructions for Installation and Usage

1. Loading the Bullets:

- Ensure the firearm is pointed in a safe direction.
- Open the action of the firearm and visually inspect the chamber to ensure it is clear.
- Insert the MATCHKING 30 CAL (.308) bullet into the chamber or magazine according to the manufacturer's instructions for your specific firearm model.

2. Firing the Bullets:

- Ensure the firearm is in good working order and that you are using appropriate safety gear.
- Aim at your target and ensure the area is clear.
- Pull the trigger smoothly to fire the bullet. Do not jerk or rush the trigger pull.

3. PostFiring Procedures:

- After firing, keep the firearm pointed in a safe direction.
- Open the action to inspect the chamber and magazine for any remaining ammunition.
- Clean your firearm according to the manufacturer's instructions after use.

Disposal Instructions

- Dispose of used ammunition casings and any damaged or expired bullets according to local regulations.
- Do not throw bullets or casings in regular trash. Check for local hazardous waste disposal options.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MATCHKING 30 CAL (.308) PALMA® HOLLOW POINT BOAT TAIL BULLETS, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

Conclusion

By following these safety instructions, you can enjoy the performance of your MATCHKING 30 CAL (.308) PALMA® HOLLOW POINT BOAT TAIL BULLETS while ensuring a safe shooting experience. Always prioritize safety and compliance with local laws and regulations. Thank you for choosing Sierra Bullets, Inc.
