

# SINCLAIR GENERATION II BENCHREST WINDAGE TOPS - SINCLAIR INTERNATIONAL BENCHREST SHOOTING REST WINDAGE TOP LEFT HAND

[Shooting Accessories](#) > [Shooting Rests](#) > [Rifle Rests](#)

Our Sinclair Windage Rest Tops have completely lateral movement windage adjustment and all of the upgraded features found on our non-windage rest tops. Our Windage Rest Tops feature 46 inches of adjustment to 100 yards (23 inches at 500 yards) and are tested at the time of manufacture with 17 lbs of forend weight. Available for right and left-handed shooters and includes a one fourth inch - twenty screw to mount to our Sinclair rest post or any other rest post with one fourth inch - twenty mounting threads. The Sinclair Benchrest (B/R) Windage Top is for shooters who shoot Benchrest or those who prefer using owl ear Protektor or Edgewood front sandbags (Edgewood front bags require additional screw kit) and want the convenience of windage adjustability. The forend stop can be positioned to accommodate both fore/aft and left/right stock contact. For an upgrade to even more adjustability, it can be easily replaced with our Competition Forend Stop (#749-101-026). This Rest Top conforms to all NBRSA and IBS Benchrest rules. Available for right and left-handed shooters and include a 1/4"-20 screw to mount to our Sinclair rest posts or any other rest post with 1/4"-20 mounting threads. Bag not included. Must purchase Screw Kit to go with Rest. NOTE: Right handed rest adjusts on the left side and left handed rest adjusts on the right side.

# Safety Instruction Guide for Sinclair Generation II Benchrest Windage Tops

## Introduction

Thank you for choosing the Sinclair Generation II Benchrest Windage Tops. This product is designed to enhance your shooting experience by providing precise windage adjustments. To ensure safe and effective use, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always ensure that your Sinclair Windage Rest Top is securely mounted before use.
- Regularly inspect the product for any signs of wear or damage.
- Do not exceed the recommended weight limit of 17 lbs for the forend.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure that you are familiar with local laws and regulations regarding the use of shooting accessories.

## Specific Safety Precautions for Use

- Use the Windage Rest Top only with compatible shooting bags (e.g., owl ear Protektor or Edgewood front sandbags).
- Make sure the forend stop is correctly positioned to avoid unintended movement during use.
- When adjusting the windage, do so gradually to avoid sudden shifts that could affect your aim.
- Always practice safe shooting habits, including proper handling and storage of firearms.

## Instructions for Installation and Usage

### 1. Mounting the Windage Rest Top

- Ensure you have a compatible rest post with 1/4"20 mounting threads.
- Use the provided 1/4"20 screw to securely attach the Windage Rest Top to the rest post.
- Check that the attachment is tight and stable before proceeding.

### 2. Adjusting Windage

- To adjust windage, loosen the adjustment knob located on the side of the rest top.
- Move the rest top laterally to the desired position.
- Tighten the adjustment knob to secure the position.

### 3. Positioning the Forend Stop

- The forend stop can be adjusted both fore/aft and left/right to accommodate your stock contact.
- For enhanced adjustability, consider replacing the forend stop with the Competition Forend Stop (#749101026).

### 4. Testing Stability

- After installation and adjustments, conduct a stability test by lightly applying pressure to the rest top.
- Ensure that it does not shift or wobble during this test.

## **Disposal Instructions**

- When disposing of the Sinclair Windage Rest Top, follow local regulations for disposal of nonhazardous materials.
- If the product is damaged beyond repair, consider recycling materials where possible.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please refer to the appropriate authorities or your local Sinclair International distributor. Always ensure that you have the latest information regarding product safety and recalls.

## **Conclusion**

Your safety and satisfaction are our top priorities. By following these guidelines, you can ensure that your experience with the Sinclair Generation II Benchrest Windage Tops is safe and enjoyable. Thank you for choosing our product.
