# Safety Instruction Guide for TYPE S MATCH BUSHING NECK DIE SET 223 REM

## Introduction

Thank you for choosing the TYPE S Match Bushing Neck Die Set for your reloading needs. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before use.

## General Safety Guidelines

- Ensure the die set is used only for its intended purpose.
- Always handle all reloading equipment with care and follow all safety protocols.
- Keep the die set and all reloading components out of reach of children and unauthorized users.
- Regularly inspect the die set for signs of wear or damage before use.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses, when using this die set.
- Do not exceed the recommended load specifications for the 223 Remington cartridge.
- Ensure that the work area is clean and free from distractions.
- Be aware of potential hazards, such as sharp edges and moving parts.
- Never attempt to modify the die set in any way.
- Always follow the manufacturer's instructions for reloading and die set operation.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary equipment and materials, including the die set, reloading press, and components for the 223 Remington cartridge.
- Ensure the workspace is welllit and organized.

### 2. Installation

- Securely mount the die set onto the reloading press according to the manufacturer's instructions.
- Adjust the sizing die and seating die as specified in the product manual to ensure proper operation.

### 3. Usage

- Follow these steps for using the Type S Bushing Neck Sizing Die:
  - Insert the case into the die and ensure it is properly aligned.
  - Operate the reloading press to size the case as needed.
- For the Body Die:
  - Insert the case and operate the press to resize the body of the case.
- For the Competition Seating Die:
  - Place the bullet into the case mouth and adjust the die to achieve the desired overall length.
  - Operate the press to seat the bullet firmly in the case.

### 4. PostUsage Care

- Clean the die set after each use to remove any residue or debris.
- Store the die set in a safe, dry place when not in use.

## **Disposal Instructions**

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the die set in regular household waste if it contains hazardous materials.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For further support, please consult the product manual or reach out to the manufacturer directly. It is important to have access to assistance for any questions or concerns regarding the use of this die set.

Thank you for prioritizing safety while using the TYPE S Match Bushing Neck Die Set. Your attention to these guidelines will help ensure a safe and successful reloading experience.
