# TYPE S MATCH BUSHING NECK DIE SETS Safety Instruction Guide

## Introduction

Thank you for choosing the TYPE S MATCH BUSHING NECK DIE SET for your reloading needs. This product is designed for use with the 300 Winchester Magnum cartridge and includes a Type S Bushing Neck Sizing Die, Body Die, and Competition Seating Die. To ensure your safety and the proper functioning of this product, please read and follow all safety guidelines and instructions provided in this guide.

## General Safety Guidelines

- Always handle reloading equipment with care and respect.
- Ensure that you are familiar with the operation of your reloading equipment before use.
- Keep all reloading components, including dies, tools, and ammunition, out of reach of children.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when reloading.
- Be aware of your surroundings and avoid distractions while reloading.
- Follow local laws and regulations regarding the use and storage of reloading equipment and ammunition.

## Specific Safety Precautions for Use

- Inspect all components of the die set for damage or wear before each use.
- Ensure that the dies are properly installed and secured in your reloading press.
- Use only the recommended bushing sizes for your specific cartridge to avoid oversizing or undersizing.
- Keep your workspace clean and organized to prevent accidents.
- Never exceed recommended powder charges or use incompatible components.
- Avoid using the die set in poorly lit or cluttered environments.

## Instructions for Installation and Usage

### 1. Installation of the Die Set:

- Begin by removing the dies from their packaging.
- Inspect each die for any visible damage.
- Secure the Type S Bushing Neck Sizing Die in your reloading press according to the manufacturer's instructions.
- Follow the same procedure for the Body Die and Competition Seating Die, ensuring they are properly aligned and tightened.

### 2. Using the Die Set:

- Refer to your reloading manual for specific instructions related to the 300 Winchester Magnum cartridge.
- Set the desired bushing size in the Type S Bushing Neck Sizing Die.
- Adjust the die height according to your reloading press specifications.
- Proceed with the reloading process, following all recommended safety measures and guidelines.

### 3. PostUse Care:

- After use, clean the dies to remove any residue or debris.
- Store the die set in a safe, dry place, away from moisture and extreme temperatures.
- Regularly check the condition of the dies and replace any worn or damaged components.

## **Disposal Instructions**

- Dispose of any damaged or unusable components in accordance with local waste disposal regulations.
- Do not dispose of reloading materials or ammunition in regular household waste.
- Contact local authorities for guidance on the proper disposal of hazardous materials.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the TYPE S MATCH BUSHING NECK DIE SET, please reach out to your local retailer or manufacturer. It is important to have access to support in case of any questions or concerns regarding the use of this product.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with your TYPE S MATCH BUSHING NECK DIE SET. Always prioritize safety and stay informed about best practices in reloading. Thank you for choosing our product, and happy reloading!
