# Safety Instruction Guide for TYPE S MATCH BUSHING NECK DIE SETS

## Introduction

Thank you for choosing the TYPE S MATCH BUSHING NECK DIE SET. This product is designed for precision reloading of 6mm PPC cartridges. To ensure safe and effective use, please read this safety instruction guide carefully before using the product.

## General Safety Guidelines

- Always handle all reloading equipment with care to prevent accidents.
- Ensure that the workspace is clean and free from clutter to avoid tripping hazards.
- Store all components and tools in a safe location, out of reach of children and pets.
- Use protective eyewear and gloves when handling reloading materials.
- Be aware of the specific properties of the cartridges you are working with, including their potential hazards.
- Follow all local laws and regulations regarding the use and storage of reloading equipment.

## Specific Safety Precautions for Use

- Ensure that the Type S Bushing Neck Sizing Die, Body Die, and Competition Seating Die are compatible with your reloading setup.
- Do not exceed the recommended load specifications for your cartridges.
- Inspect all components for damage before use. Do not use damaged or worn parts.
- Avoid distractions while reloading to maintain focus and accuracy.
- Keep all reloading materials, including powders and primers, stored in their original containers and in a cool, dry place.
- Always doublecheck measurements and settings before starting the reloading process.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and materials, including the Type S Match Bushing Neck Die Set, cartridges, and reloading press.
- Ensure that your workspace is welllit and organized.

### 2. Installation:

- Attach the Type S Bushing Neck Sizing Die to your reloading press according to the manufacturer's instructions.
- Securely install the Body Die and Competition Seating Die in the same manner.

### 3. Reloading Process:

- Begin with the Type S Bushing Neck Sizing Die to resize the neck of the cartridge.
- Follow with the Body Die to ensure proper case dimensions.
- Finally, use the Competition Seating Die to accurately seat the bullet into the cartridge case.
- Regularly check the settings and measurements throughout the process to ensure consistency and safety.

### 4. PostReloading:

- Inspect each completed cartridge for defects or inconsistencies.
- Store completed cartridges in a designated and secure location.

## Disposal Instructions

- Dispose of any damaged or unusable components according to local regulations.
- Do not dispose of reloading materials in regular household waste. Follow specific guidelines for hazardous materials disposal.
- Ensure that all waste is securely packaged to prevent accidental exposure or spillage.

## Contact Information for Further Support

For any questions or concerns regarding the use of the TYPE S MATCH BUSHING NECK DIE SET, please consult the manufacturer's documentation or reach out to the retailer from whom you purchased the product. Always refer to the EU's Safety Gate platform for updates on product recalls or safety information.

By following these safety instructions, you can ensure a safe and successful reloading experience. Thank you for your attention to safety and for choosing our product.
