Safety Instruction Guide for TYPE S MATCH BUSHING NECK DIE SETS

Introduction

Thank you for choosing the TYPE S MATCH BUSHING NECK DIE SET for your reloading needs. This product is designed to ensure high precision and performance. However, it is essential to follow safety guidelines to ensure safe usage and avoid any potential hazards.

General Safety Guidelines

- Ensure that you read and understand all instructions before using the product.
- Always handle reloading equipment with care and keep it out of reach of children.
- Use only the recommended cartridges (308 Winchester) with this die set.
- Regularly inspect your equipment for any signs of wear or damage.
- Follow all local laws and regulations regarding the use and storage of reloading equipment.
- In case of an emergency or accident, contact local authorities immediately.

Specific Safety Precautions for Use

- Always wear safety glasses when operating reloading equipment to protect your eyes from debris.
- Use gloves to protect your hands from any sharp edges or metal fragments.
- Ensure your workspace is clean and organized to prevent accidents.
- Do not attempt to modify or alter the die set in any way.
- Keep all components, including primers and powder, stored securely and away from heat sources.
- Avoid distractions while reloading to maintain focus and attention.

Instructions for Installation and Usage

1. Installation of the Die Set:

- Start by cleaning your reloading press and ensuring it is free from debris.
- Attach the Type S Bushing Neck Sizing Die to the press following the manufacturer's instructions.
- Install the Body Die in the same manner, making sure it is securely fastened.
- Finally, attach the Competition Seating Die.

2. Usage Instructions:

- Always start with a clean and dry cartridge case.
- Adjust the sizing die according to the specifications for the 308 Winchester cartridge.
- Use the bushing to control neck tension as per your preference.
- When seating bullets, ensure they are aligned properly in the die to avoid crushing.
- Follow the recommended load data for the powder and bullet used.

Disposal Instructions

- Dispose of any used components, such as spent primers and powder, in accordance with local regulations.
- Do not throw away the die set in regular household waste. Contact local waste management for proper disposal methods.
- Recycle any metal parts where possible, following local recycling guidelines.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the TYPE S MATCH BUSHING NECK DIE SET, please refer to the manufacturer's website or customer service resources.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective reloading experience. Thank you for your attention to safety and for choosing our product.
