# TYPE S MATCH BUSHING NECK DIE SETS SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the TYPE S MATCH BUSHING NECK DIE SET. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the die set to understand how to handle it safely and responsibly.

## General Safety Guidelines

- Always follow the manufacturer's instructions and guidelines for safe use.
- Keep the die set out of reach of children and pets.
- Use the die set only for its intended purpose, which is to resize and seat ammunition for 6 mm BR cartridges.
- Inspect the die set for any damage before use. Do not use if any components are damaged.
- Wear appropriate personal protective equipment (PPE), such as safety glasses, when using the die set.
- Be aware of your surroundings and ensure you are in a safe and suitable environment for reloading ammunition.

## Specific Safety Precautions for Use

- Ensure that your work area is clean, organized, and free from distractions.
- Use the die set in a wellventilated area to avoid inhaling any dust or particles.
- Follow proper handling procedures when working with ammunition components to prevent accidental discharge.
- Always doublecheck that the die is securely mounted and adjusted before use.
- Avoid wearing loose clothing or jewelry that could get caught in machinery.
- Keep your fingers and other body parts clear of moving parts during operation.
- Store the die set in a secure location when not in use to prevent unauthorized access.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully unpack the die set and inspect all components.
- Ensure the workspace is clean and dry.
- Mount the Type S Bushing Neck Sizing Die securely in the reloading press according to the manufacturer's instructions.
- Install the Body Die and Competition Seating Die in the same manner, ensuring they are properly aligned.

### 2. Usage:

- Follow the recommended procedures for resizing and seating ammunition as outlined in the manufacturer's instructions.
- Adjust the dies according to your specific reloading needs and the specifications for 6 mm BR cartridges.
- Always verify the adjustment settings before starting the reloading process.
- Pay attention to the operation of the press and dies during use, ensuring that they function smoothly.
- After use, clean the dies to remove any residue and store them properly.

## Disposal Instructions

- Dispose of any unused or obsolete components of the die set in accordance with local regulations.
- Do not throw away any hazardous materials in regular trash. Follow your local waste disposal guidelines for hazardous materials.
- Recycle packaging materials where possible.

## Contact Information for Further Support

For any inquiries or support regarding the TYPE S MATCH BUSHING NECK DIE SET, please refer to the manufacturer's contact details provided with the product packaging.

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with the TYPE S MATCH BUSHING NECK DIE SET. Always prioritize safety and responsibility when handling and using this product.
