

SINCLAIR BENCHREST STYLE LIGHTWEIGHT REST - LIGHTWEIGHT BENCHREST COMPLETE SHOOTING REST WITH RT-3

[Shooting Accessories](#) > [Shooting Rests](#) > [Rifle Rests](#)

We designed our Lightweight Rest for shooters who needed a lighter, more economical option to a standard weight cast iron rest tripod. The Lightweight tripod is machined aluminum, and the leg screws and T-handle are lightened to produce a weight savings of over 11 pounds from our standard rests. These Lightweight rest are ideal for F-Class shooters, field shooters, sight in sessions and plinking. Our Lightweight Rests accept all Sinclair rest tops and accessories including F-Class extended leg screws and Speed Screw. Front bag not included. The Sinclair Benchrest (B/R) Lightweight Rest is for shooters who prefer using Protektor or Edgewood owl ear style front sandbags (Edgewood front bags require additional screw kit). This rest with a number 1 Protektor front bag (#723-100-001) is perfect for sighting in most hunting rifles, when equipped with a number 2 Protektor front bag (#723-100-002) this rest works great for sighting in varmint rifles or AR rifles of any format. Equip this rest with the number 2 or 3 (#723-000-007) Protektor front bags along with the F-Class extensions and F-Class rest feet (#749-003-699) and you have a great set-up for shooting Open F-Class. Protektor front bag not included. Must purchase Screw Kit to go with Rest.

Safety Instruction Guide for SINCLAIR BENCHREST STYLE LIGHTWEIGHT REST

Introduction

Thank you for choosing the Sinclair Benchrest Style Lightweight Rest. This guide provides essential safety instructions to ensure the safe and effective use of your shooting rest. Please read this guide carefully before using the product to understand its features and the necessary precautions.

General Safety Guidelines

- Always use the Lightweight Rest in a safe and controlled environment, away from unauthorized individuals and potential hazards.
- Ensure that the shooting area is clear of obstructions and that you have a proper backstop.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the rest.
- Regularly inspect the rest for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding firearm usage and safety.

Specific Safety Precautions for Use

- The Lightweight Rest is designed for use with Protektor or Edgewood owl ear style front sandbags. Ensure that you use compatible bags for optimal safety and performance.
- Always secure the front bag properly before use to prevent it from slipping or moving during shooting.
- Do not exceed the recommended weight limit for the rest. Overloading can lead to instability and potential accidents.
- When adjusting the leg screws or Thandle, ensure that your fingers are clear of any moving parts to avoid pinching or injury.
- Always store the Lightweight Rest in a dry and secure location when not in use to prevent damage and ensure longevity.

Instructions for Installation and Usage

1. Setup:

- Unpack the Lightweight Rest and check all components for any damage.
- Attach the appropriate front bag (Protektor or Edgewood) securely to the rest.
- Adjust the leg screws to ensure stability on uneven surfaces.

2. Usage:

- Position the rest on a stable surface, ensuring that it is secure before placing your firearm on it.
- When sighting in your rifle, make sure to follow proper shooting techniques and maintain a safe shooting posture.
- Adjust the rest as necessary to achieve the desired height and angle for your shooting position.

3. PostUsage:

- After use, disassemble the rest if necessary and clean it to remove any dirt or debris.
- Store the Lightweight Rest in a safe location, away from moisture and extreme temperatures.

Disposal Instructions

- When disposing of the Lightweight Rest, follow local regulations regarding the disposal of metal and plastic materials.
- Ensure that all components are disposed of responsibly to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Sinclair Benchrest Style Lightweight Rest, please contact your local distributor or refer to the manufacturer's website for additional support and resources.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your Sinclair Benchrest Style Lightweight Rest. Always prioritize safety and responsible shooting practices. Thank you for your attention to these important guidelines.
