

# **MATCHKING 6.5MM (0.264") BULLETS - MATCHKING 6.5MM (.264") 142GR HOLLOW POINT BOAT TAIL 500/BOX**

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

MatchKing Bullets are the classification for Sierra's pre-eminent target bullets. The driving motivation for the design of each MatchKing bullet is accuracy. These bullets have very thin jackets drawn to an exacting concentricity standard of 0.0003 in maximum variation, and their weight is held to within  $\pm$  0.3 grain. All MatchKing have a hollow point design with a very small meplat for high ballistic coefficient. The majority of these bullets have a boat tail shape to further minimize drag and improve ballistic coefficient. They are manufactured to the very highest quality standards. Their accuracy has been acclaimed worldwide, and they have been used to win more target competitions than all target bullets from other manufacturers combined. While they are recognized around the world for record-setting accuracy, MatchKing® bullets are not recommended for most hunting applications.

## **Attributes**

- Name: [MATCHKING 6.5MM \(.264"\) 142GR HOLLOW POINT BOAT TAIL 500/BOX](#)
- Manufacturer: [SIERRA BULLETS](#)
- Product no.: 749008085
- Mfr. No.: 1742C
- Ballistic Coefficient (G1): 0.626

# MATCHKING 6.5MM BULLETS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the MATCHKING 6.5MM (0.264") Bullets. These precisionengineered bullets are designed for target shooting, offering high accuracy and performance. It is essential to follow safety guidelines to ensure safe handling and use of this product. This guide provides important safety instructions and recommendations in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always treat every bullet as if it is loaded.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized individuals.
- Inspect bullets before use for any signs of damage or defects.
- Use appropriate protective gear, including eye and ear protection, when handling or shooting.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

### • Handling:

- Always handle bullets with care. Do not drop or mishandle them.
- Avoid touching the bullet tip or the hollow point to prevent contamination.

### • Loading and Unloading:

- Follow your firearm's manual for safe loading and unloading procedures.
- Ensure the firearm is pointed in a safe direction when loading or unloading.

### • Shooting:

- Only use MATCHKING bullets in firearms that are designed for 6.5mm caliber ammunition.
- Ensure that the firearm is in good working condition before use.
- Do not exceed the manufacturer's recommended load specifications.

### • Storage:

- Store bullets in their original packaging until ready for use.
- Use a secure container or ammunition box for storage to prevent accidental access.

## Instructions for Installation and Usage

### • Installation:

- Ensure your firearm is unloaded before beginning any loading process.
- Follow the firearm manufacturer's instructions for loading ammunition.
- Insert the MATCHKING bullet into the cartridge case according to the specifications provided in reloading manuals.

### • Usage:

- When ready to shoot, position yourself in a safe shooting stance.
- Aim at a designated target and ensure the area is clear of people and obstacles.
- Fire only when you are confident it is safe to do so.

## Disposal Instructions

- Dispose of unused or damaged bullets in accordance with local regulations.
- Do not dispose of bullets in regular household waste.
- Contact your local waste management facility for guidance on proper disposal methods.

## Contact Information for Further Support

For safety inquiries or further assistance regarding the MATCHKING 6.5MM Bullets, please contact the manufacturer directly. Ensure you have the product details ready for a more efficient response.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MATCHKING 6.5MM Bullets. Always prioritize safety and compliance with local laws. Thank you for your attention to these important matters.
