

TYPE S MATCH BUSHING FULL DIE SETS - REDDING 270 WSM BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck. Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

Safety Instruction Guide for TYPE S MATCH BUSHING FULL DIE SETS REDDING 270 WSM BUSHING FULL LENGTH DIE SET

Introduction

Thank you for choosing the Redding Types S Match Full Length Die Set for the 270 WSM (Winchester Short Mag). This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and follow all instructions carefully to avoid potential hazards.

General Safety Guidelines

- Always use the die set in accordance with the manufacturer's instructions.
- Ensure that the workspace is clean, dry, and welllit.
- Keep the die set out of reach of children and pets.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling the die set.
- Be aware of your surroundings and ensure there are no distractions while using the die set.
- Regularly inspect the die set for any signs of wear or damage before use.
- Store the die set in a secure, dry location when not in use.

Specific Safety Precautions for Use

- Ensure that the correct cartridge (270 WSM) is used with this die set.
- Do not modify or alter the die set in any way.
- Use only compatible reloading equipment and components.
- Avoid overloading the die set beyond its specified limits.
- Do not use the die set if you are unsure of its proper use.
- Follow all local laws and regulations regarding ammunition reloading.

Instructions for Installation and Usage

1. Installation:

- Read the manufacturer's instructions thoroughly before beginning installation.
- Ensure that the reloading press is securely mounted and stable.
- Attach the die set to the reloading press according to the manufacturer's specifications.
- Tighten all screws and fittings to ensure a secure installation.

2. Usage:

- Always wear appropriate safety gear before starting the reloading process.
- Prepare your workspace by organizing all necessary tools and components.
- Begin by inspecting the die set to ensure it is clean and free of debris.
- Follow the stepbystep instructions provided with the die set for reloading the 270 WSM cartridge.
- After completing the reloading process, clean the die set according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the die set in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods for reloading

equipment.

Contact Information for Further Support

For any questions or safety inquiries regarding the Redding Types S Match Full Length Die Set, please refer to the manufacturer's contact details provided in the product packaging or on the official website.

Conclusion

Following these safety instructions will help ensure a safe and effective reloading experience. Always prioritize safety and adhere to the guidelines outlined in this document. Thank you for your commitment to responsible reloading practices.
