

TYPE S MATCH BUSHING FULL DIE SETS - REDDING 7MM WSM BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck. Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

Safety Instruction Guide for Redding 7mm WSM Bushing Full Length Die Set

Introduction

Thank you for choosing the Redding 7mm WSM Bushing Full Length Die Set. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. It is important to read and understand all sections before using the die set to minimize risks and ensure compliance with safety regulations.

General Safety Guidelines

- Always handle the die set with care and store it in a safe, dry place.
- Ensure that the workspace is clean and organized to prevent accidents.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when operating the die set.
- Keep the die set out of reach of children and pets.
- Regularly inspect the die set for any signs of wear or damage. Do not use damaged components.
- Follow all local laws and regulations regarding reloading and ammunition manufacturing.

Specific Safety Precautions for Use

- Ensure that you are familiar with the reloading process before using this die set.
- Only use the die set with compatible cartridges, specifically the 7mm WSM (Winchester Short Magnum).
- Avoid wearing loose clothing or jewelry that could get caught in machinery during use.
- Do not use the die set under the influence of drugs or alcohol.
- If you experience any discomfort or unusual symptoms while using the die set, stop immediately and seek assistance.
- Always keep your hands and other body parts away from moving parts of the die set during operation.

Instructions for Installation and Usage

1. Preparation:

- Read the manufacturer's instructions thoroughly before beginning.
- Gather all necessary tools and materials required for reloading.

2. Installation:

- Securely mount the die set in a compatible reloading press.
- Ensure that the die is properly aligned and tightened to prevent movement during operation.

3. Usage:

- Follow the specific reloading procedure for the 7mm WSM cartridge.
- Use the die set according to the manufacturer's specifications for adjustments and settings.
- Monitor the reloading process closely to ensure consistent results and safety.

4. PostUsage:

- Clean the die set after each use to remove any debris or residue.
- Store the die set in its original packaging or a designated storage area to protect it from damage.

Disposal Instructions

- Dispose of any unused or damaged components of the die set in accordance with local regulations.
- Do not discard the die set in regular household waste. Check with local authorities for proper disposal methods for metal and plastic materials.

Contact Information for Further Support

For any inquiries or concerns regarding the Redding 7mm WSM Bushing Full Length Die Set, please consult the manufacturer's website or customer service for detailed support.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding 7mm WSM Bushing Full Length Die Set. Thank you for your attention to these important guidelines.
