

# TYPE S MATCH BUSHING FULL DIE SETS - REDDING 22-250 ACKLEY IMPROVED BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck. Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

# Safety Instruction Guide for Redding Type S Match Bushing Full Die Sets

## Introduction

Thank you for choosing the Redding Type S Match Bushing Full Die Set. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and understand these guidelines before using the die set to prevent accidents and ensure optimal performance.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate safety gear, including eye protection, when using reloading equipment.
- Keep the die set and all components out of reach of children and unauthorized users.
- Inspect the die set regularly for any signs of wear or damage. Do not use damaged components.
- Store the die set in a dry, safe place when not in use to prevent corrosion and damage.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The use of this die set involves handling sharp tools and components that can cause injury.
  - Improper use may result in ammunition that is unsafe to fire.
- **Avoiding Hazards:**
  - Always ensure that the die set is properly secured before use.
  - Do not attempt to modify or alter any components of the die set.
  - Only use the die set with compatible cartridges as specified by the manufacturer.
  - Ensure that your workspace is clean and organized to avoid accidents.
- **Age Specific Warnings:**
  - This product is intended for use by individuals aged 18 and older.
  - Supervision is required for younger users if they are involved in the reloading process.

## Instructions for Installation and Usage

- **Installation:**
  1. Ensure that your reloading press is compatible with the Redding Type S Match Bushing Full Die Set.
  2. Carefully unpack the die set and inspect all components for damage.
  3. Follow the manufacturer's instructions to install the sizing die and seating die onto your reloading press.
  4. Tighten all connections securely to prevent any movement during operation.
- **Usage:**
  1. Adjust the bushing in the sizing die according to the desired neck tension.
  2. Insert the cartridge case into the sizing die and operate the press to resize the case.
  3. For bullet seating, place the bullet into the cartridge case and use the micrometer on the seating die to adjust the depth.
  4. Operate the press to seat the bullet securely in the case.

5. Regularly check the dimensions and tension of your reloads to ensure safety and accuracy.

## **Disposal Instructions**

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not throw away the die set in regular household waste. Instead, consider recycling or using a designated hazardous waste facility if applicable.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the Redding Type S Match Bushing Full Die Set, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safer reloading experience with the Redding Type S Match Bushing Full Die Set. Always prioritize safety and consult the manufacturer's guidelines for any specific concerns or questions.
