

# TYPE S MATCH BUSHING FULL DIE SETS - REDDING 6.5-284 NORMA BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck. Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

# Safety Instruction Guide for Redding Type S Match Bushing Full Die Sets

## Introduction

Thank you for choosing the Redding Type S Match Bushing Full Die Set for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of the product. Please read this document carefully before using the die set.

## General Safety Guidelines

- Always use the die set in accordance with the manufacturer's instructions.
- Ensure that all tools and equipment used in conjunction with the die set are in good working condition.
- Keep the die set out of reach of children and pets.
- Inspect the die set for any signs of damage before use. Do not use damaged equipment.
- Use appropriate personal protective equipment (PPE), such as safety glasses, when operating the die set.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about any recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of injury from improper handling or use of the die set.
- Risk of damage to the die set or other equipment if used incorrectly.

- **Avoiding Hazards:**

- Always follow the recommended procedures for resizing and seating bullets.
- Do not exceed the recommended sizing and neck tension limits.
- Ensure that the workspace is clean and free of clutter to avoid accidents.
- Use the micrometer feature carefully to ensure accurate measurements.
- Never attempt to modify the die set; any alterations can compromise safety and performance.

- **Audience Specific Warnings:**

- This product is intended for use by individuals who are knowledgeable about reloading practices. It is not suitable for inexperienced users.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Install the Type S Bushing Full Sizing Die into the reloading press according to the manufacturer's instructions.
- Select the appropriate bushing for your desired neck tension and install it into the sizing die.
- Install the Competition Bullet Seating Die using the same method.

### 2. Usage:

- Begin by resizing your cases using the Type S Bushing Full Sizing Die. Follow the steps below:

- Adjust the die to the desired position for fulllength resizing.
  - Insert the case into the die and operate the press to resize the case.
  - Check the neck tension using a bullet to ensure it meets your specifications.
- For seating bullets, follow these steps:
    - Insert a bullet into the case mouth.
    - Adjust the micrometer on the Competition Bullet Seating Die to set the desired overall length.
    - Operate the press to seat the bullet, ensuring it is seated to the correct depth.
    - Inspect the seated bullet for any irregularities.

## **Disposal Instructions**

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the die set reaches the end of its usable life, dispose of it in a manner that complies with local waste management regulations. Check with local authorities for specific disposal instructions.

## **Contact Information for Further Support**

For any questions or concerns regarding the Redding Type S Match Bushing Full Die Set, please consult the manufacturer's website or contact customer support. Always ensure that you have the product identification details ready for efficient assistance.

Thank you for prioritizing safety while using the Redding Type S Match Bushing Full Die Set. Your attention to these guidelines will help ensure a safe and effective reloading experience.
