

# TYPE S MATCH BUSHING FULL DIE SETS - REDDING 243 ACKLEY IMPROVED BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck.

Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

# **Safety Instruction Guide for TYPE S MATCH BUSHING FULL DIE SETS REDDING 243 ACKLEY IMPROVED BUSHING FULL LENGTH DIE SET**

## **Introduction**

Thank you for choosing the TYPE S MATCH BUSHING FULL DIE SETS REDDING 243 ACKLEY IMPROVED BUSHING FULL LENGTH DIE SET. This product is designed for precision reloading of ammunition. Please read this safety instruction guide carefully to ensure safe and proper use of the die set.

## **General Safety Guidelines**

- Ensure that the product is used in accordance with all applicable laws and regulations regarding ammunition reloading.
- Store the die set in a cool, dry place away from direct sunlight and moisture.
- Always keep the die set out of reach of children and vulnerable individuals.
- Regularly inspect the die set for signs of wear or damage. Do not use if damaged.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when reloading ammunition.
- Be aware of your surroundings and ensure that the reloading area is free of distractions and hazards.

## **Specific Safety Precautions for Use**

- Read and understand the reloading manual that corresponds with the specific cartridge you are using.
- Use the correct bushing size for your specific needs to ensure proper neck tension and resizing.
- Avoid overtightening the die set during installation, as this can cause damage.
- Always ensure the reloading press is securely mounted and stable before use.
- Do not attempt to modify or alter the die set in any way.
- Ensure that all components used in conjunction with the die set are compatible and in good condition.
- Never leave the reloading process unattended.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Remove the die set from its packaging.
- Select the appropriate bushing for your desired neck tension.
- Install the Type S Bushing Full Sizing Die into your reloading press according to the manufacturer's instructions.
- Adjust the die to the desired position for fulllength resizing.
- Install the Competition Bullet Seating Die into the press, ensuring it is securely tightened.

### **2. Usage:**

- Begin by preparing your brass cases according to the reloading manual.
- Insert the brass case into the sizing die and operate the press to resize the case.
- After resizing, remove the case and check for proper sizing and neck tension.
- Use the Competition Bullet Seating Die to seat the bullets to the desired depth, adjusting the micrometer as needed.
- Inspect each completed round for quality and safety before use.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not throw away the die set in regular household waste. Check for recycling programs or hazardous waste disposal options in your area.

## Contact Information for Further Support

For any questions or concerns regarding the TYPE S MATCH BUSHING FULL DIE SETS REDDING 243 ACKLEY IMPROVED BUSHING FULL LENGTH DIE SET, please refer to the product packaging or the manufacturer's website for contact information and support.

## Conclusion

By following these safety instructions, you can ensure a safe and effective reloading experience with the TYPE S MATCH BUSHING FULL DIE SETS REDDING 243 ACKLEY IMPROVED BUSHING FULL LENGTH DIE SET. Always prioritize safety and stay informed about best practices in ammunition reloading. Thank you for your attention to these important guidelines.
