

TYPE S MATCH BUSHING FULL DIE SETS - REDDING 280 ACKLEY IMPROVED BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck. Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

Safety Instruction Guide for Redding Type S Match Bushing Full Die Sets

Introduction

Thank you for choosing the Redding Type S Match Bushing Full Die Set. This guide provides essential safety instructions to ensure safe and effective use of the product. It is important to follow these guidelines to minimize risks and enhance your reloading experience.

General Safety Guidelines

- Always read and understand the product manual before use.
- Ensure the workspace is clean, welllit, and free of distractions.
- Keep the die set out of reach of children and pets.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Be aware of your surroundings and ensure that no unauthorized individuals are present during reloading activities.
- Store the die set in a secure place to prevent unauthorized access.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper use of the die set can lead to accidents, including injury from flying debris or equipment malfunction.
 - Always check the compatibility of the die set with your specific cartridge (280 Ackley Improved).
- **Avoiding Hazards:**
 - Do not exceed recommended load specifications.
 - Ensure the die set is properly secured in your reloading press before use.
 - Avoid using damaged or worn components; inspect the die set regularly for any signs of wear or damage.
 - Do not modify the die set in any way; such modifications can compromise safety and performance.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is mounted securely on a stable surface.
- Select the appropriate bushing for the desired neck tension and insert it into the sizing die.
- Attach the sizing die to the reloading press according to the manufacturer's instructions.
- Install the Competition Bullet Seating Die, ensuring it is properly aligned and secured.

2. Usage:

- Begin by resizing the brass cases using the Type S Bushing Full Sizing Die.
- Adjust the bushing as needed to achieve the desired neck tension.
- Use the Competition Bullet Seating Die to seat bullets accurately, utilizing the micrometer for precise adjustments.
- Regularly check the seating depth and neck tension to ensure consistency and safety.

Disposal Instructions

- Dispose of any unused or spent components in accordance with local regulations.
- Do not dispose of the die set in regular household waste; contact local waste management for proper disposal methods.
- If the die set is damaged beyond repair, ensure it is disposed of safely to prevent any potential hazards.

Contact Information for Further Support

For any inquiries or support regarding the Redding Type S Match Bushing Full Die Set, please refer to the manufacturer's website or contact your local authorized dealer.

By adhering to these safety instructions, you can ensure a safe and enjoyable reloading experience with your Redding Type S Match Bushing Full Die Set. Always prioritize safety and be vigilant while using the equipment. Thank you for your commitment to safe reloading practices.
