# Safety Instruction Guide for TYPE S MATCH BUSHING NECK DIE SETS

## Introduction

Thank you for choosing the TYPE S MATCH BUSHING NECK DIE SET, specifically designed for the 25 WSSM (Winchester Super Short Mag) cartridge. This guide provides important safety information and usage instructions to ensure your safety and the effective use of this product. Please read this guide carefully before using the die set.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to resize and seat rifle cartridges.
- Always wear appropriate safety gear, including eye protection and gloves, when handling reloading equipment.
- Keep the die set and all associated tools out of reach of children and vulnerable individuals.
- Regularly inspect the die set for any signs of damage or wear. Do not use damaged equipment.
- Follow local laws and regulations regarding reloading and ammunition manufacturing.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Risk of injury from sharp edges or moving parts.
- Potential for improper resizing leading to ammunition failure.
- Risk of exposure to lead and other hazardous materials.

### • Avoiding Hazards:

- Always handle dies and tools with care to prevent cuts or punctures.
- Ensure that the die set is properly adjusted before use to avoid ammunition malfunctions.
- Use in a wellventilated area to minimize inhalation of any dust or particles.

### • Age Specific Warnings:

- This product is not intended for use by individuals under the age of 18 without adult supervision.

## Instructions for Installation and Usage

### • Installation:

1. Ensure the reloading press is securely mounted and stable.
2. Select the appropriate die for the task (Sizing Die, Body Die, or Competition Seating Die).
3. Thread the die into the reloading press according to the manufacturer's instructions.
4. Adjust the die to the desired position for the specific reloading task.

### • Usage:

1. Prepare your workspace by clearing any clutter and ensuring proper lighting.
2. Gather all necessary materials, including brass cases, primers, powder, and bullets.
3. Follow the stepbystep instructions for resizing and seating as outlined in your reloading manual.

4. Always doublecheck measurements and settings before proceeding with reloading.
5. After use, clean the die set to prevent corrosion and maintain performance.

## Disposal Instructions

- Dispose of any unused or expired materials according to local hazardous waste disposal regulations.
- Do not dispose of ammunition or components in regular household waste.
- Contact local waste management authorities for guidance on safe disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the TYPE S MATCH BUSHING NECK DIE SET, please refer to the manufacturer's website or contact the appropriate customer service representative. Ensure you have the product details handy for a more efficient response.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our priority. Enjoy your reloading experience!
