# Safety Instruction Guide for Redding Type S Match Bushing Neck Die Set 7mm Rem SAUM

## Introduction

Thank you for choosing the Redding Type S Match Bushing Neck Die Set for your reloading needs. This product is designed to enhance your shooting experience with safety and precision in mind. Please read this safety instruction guide carefully to ensure proper use and handling of the die set.

## General Safety Guidelines

- Ensure that you follow all safety guidelines when handling reloading equipment.
- Always wear appropriate safety gear, including eye protection and gloves, when using this product.
- Keep the die set out of reach of children and pets to avoid accidental injury.
- Use the die set only for its intended purpose as outlined in this manual.
- Regularly inspect the die set for damage or wear before each use.
- Store the die set in a cool, dry place to prevent corrosion and degradation.

## Specific Safety Precautions for Use

- Only use the die set with the appropriate cartridge: 7 mm SAUM (Remington SA Ultra Mag).
- Avoid using the die set if you are not familiar with reloading practices. Seek guidance from an experienced reloader if necessary.
- Do not exceed recommended load specifications as outlined in reliable reloading manuals.
- Ensure that your workspace is wellventilated to avoid inhalation of any dust or debris generated during reloading.
- Always doublecheck that the die is securely fastened to the press before use.
- Handle all components, including cartridges and powders, with care to avoid accidental discharge.

## Instructions for Installation and Usage

### 1. Installation of the Die Set:

- Begin by selecting a clean, stable work surface for your reloading activities.
- Ensure that your reloading press is securely mounted and stable.
- Remove the die set from its packaging and inspect for any visible damage.
- Follow the instructions provided with your reloading press to install the neck die securely.
- Adjust the die to the desired position according to the specifications for the 7 mm SAUM cartridge.

### 2. Using the Die Set:

- Prepare your brass cases by cleaning and inspecting them for defects.
- Set your reloading press to the appropriate settings for the 7 mm SAUM cartridge.
- Insert the brass case into the die and follow the recommended procedures for neck sizing.
- Make sure to use the correct bushing size as specified in your reloading manual.
- After sizing, inspect each case to ensure proper dimensions and integrity.

### 3. PostUsage Care:

- Clean the die set after each use to remove any residue or debris.
- Store the die set in its original packaging or a protective case to prevent damage.
- Regularly check for signs of wear and replace any components as necessary.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the die set in regular household waste.
- Contact local waste management services for guidance on proper disposal methods for metal and plastic components.

## Contact Information for Further Support

For any safety inquiries or additional support regarding the Redding Type S Match Bushing Neck Die Set, please refer to the manufacturer's contact information provided on the packaging or product documentation.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with your Redding Type S Match Bushing Neck Die Set. Always prioritize safety and stay informed about best practices in reloading.
