

# TYPE S MATCH BUSHING FULL DIE SETS - REDDING 7MM TCU BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck. Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

# Safety Instruction Guide for TYPE S MATCH BUSHING FULL DIE SETS REDDING 7MM TCU BUSHING FULL LENGTH DIE SET

## Introduction

Thank you for choosing the Redding Type S Match Bushing Full Die Set. This guide provides important safety instructions and guidelines to ensure the safe and effective use of this product. It is essential to read this manual thoroughly before using the die set.

## General Safety Guidelines

- Ensure that the die set is used only for its intended purpose.
- Always wear appropriate safety gear, including eye protection, when using reloading equipment.
- Keep the workspace clean and organized to prevent accidents.
- Store the die set in a dry and safe location, away from children and pets.
- Regularly inspect the die set for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding ammunition reloading.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Risk of injury from improper handling of reloading equipment.
  - Risk of damage to the die set if not used according to instructions.
- **Avoiding Hazards:**
  - Always ensure that the die set is securely mounted before use.
  - Do not exceed the recommended specifications for resizing and neck tension.
  - Keep fingers and hands clear of moving parts during operation.
  - Use only compatible cartridges with the die set to avoid malfunctions.
- **AudienceSpecific Warnings:**
  - This product is not intended for use by individuals under the age of 18 without adult supervision.
  - Ensure that inexperienced users receive proper training before using the die set.

## Instructions for Installation and Usage

- **Installation:**
  1. Carefully unpack the die set and check for any missing parts.
  2. Mount the Type S Bushing Full Sizing Die securely in your reloading press.
  3. Adjust the die to the desired height according to your press specifications.
  4. Insert the appropriate bushing for your desired neck tension.
- **Usage:**
  1. Place a clean, empty cartridge case into the reloading press.
  2. Operate the press to resize the case using the Type S Bushing Full Sizing Die.
  3. Use the Competition Bullet Seating Die to seat the bullet accurately, adjusting the micrometer as

needed.

4. Check the overall length of the cartridge after seating to ensure it meets your specifications.

## **Disposal Instructions**

- Dispose of any used or damaged components of the die set according to local waste disposal regulations.
- Do not dispose of any components in a manner that could harm the environment or pose a risk to public safety.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please contact the manufacturer or your local distributor. Ensure you have your purchase details available for reference.

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with the Redding Type S Match Bushing Full Die Set. Thank you for prioritizing safety in your reloading practices.
