

TYPE S MATCH BUSHING FULL DIE SETS - 284 WINCHESTER BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck. Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

Safety Instruction Guide for TYPE S MATCH BUSHING FULL DIE SETS 284 WINCHESTER

Introduction

Thank you for choosing the Redding Type S Match Bushing Full Die Set for your reloading needs. This guide provides essential safety instructions to ensure the safe use of the product. Please read this guide carefully before using the die set.

General Safety Guidelines

- Ensure that the die set is used only for its intended purpose.
- Keep the die set out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, such as safety glasses and gloves, when using the die set.
- Do not use the die set if it appears damaged or malfunctioning.
- Follow all local laws and regulations regarding reloading ammunition.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Risk of injury from improper handling of reloading equipment.
- Potential for ammunition malfunction if not used correctly.

- **Avoiding Hazards:**

- Always ensure that the die set is securely mounted before use.
- Use only compatible components with the die set to avoid malfunctions.
- Check the die set for any wear or damage before each use.
- Maintain a clean and organized workspace to prevent accidents.
- Follow the manufacturer's instructions for resizing and bullet seating to ensure safety and accuracy.

- **AgeSpecific Warnings:**

- This product is intended for use by individuals who are at least 18 years old. Ensure that minors are supervised if they are present during the reloading process.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is properly set up and stable.
- Attach the Type S Bushing Full Sizing Die to the press according to the manufacturer's instructions.
- Insert the appropriate bushing into the die, ensuring it is securely in place.
- Install the Competition Bullet Seating Die in the same manner.

2. Usage:

- Follow the steps below for resizing and seating bullets:
 - **Resizing:**

- Insert a clean, empty case into the shell holder of the press.
- Pull the handle to raise the ram and engage the sizing die.
- Remove the resized case and check for proper dimensions.
- **Seating:**
- Place a bullet on the mouth of the resized case.
- Insert the case into the seating die.
- Adjust the micrometer for the desired seating depth.
- Pull the handle to seat the bullet firmly into the case.

3. **PostUse:**

- Clean the die set after each use to prevent corrosion and maintain performance.
- Store the die set in a dry, secure location away from children.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of the die set in regular household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

- For any inquiries regarding the safety or use of the Redding Type S Match Bushing Full Die Set, please refer to the manufacturer's official website or customer service.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding Type S Match Bushing Full Die Set. Thank you for your attention to safety!
