Thank you for choosing the Redding Type S Match Bushing Full Die Set. This guide provides essential safety instructions, usage guidelines, and disposal information to ensure your safe and effective use of this product. Please read this guide carefully before using the die set.

## **General Safety Guidelines**

- Ensure that the product is used in accordance with the manufacturer's instructions to prevent accidents and injuries.
- Always inspect the die set for any visible damage before use. Do not use if damaged.
- Keep the die set out of reach of children and vulnerable individuals who may not understand how to use it safely.
- Report any unsafe conditions or product failures to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## **Specific Safety Precautions for Use**

- Always wear appropriate safety gear, including safety glasses, when using the die set to protect against debris.
- Ensure that your workspace is clean and organized to avoid accidents.
- Use the die set only for its intended purpose, which is reloading ammunition for the 257 Roberts cartridge.
- Avoid wearing loose clothing or accessories that may get caught in machinery while using the die set.
- Do not exceed the recommended load specifications for your ammunition to prevent dangerous malfunctions.
- Be aware of your surroundings and ensure that no one is in your immediate vicinity while operating the die set.

## **Instructions for Installation and Usage**

### **1. Setting Up the Die Set:**

- Carefully unpack the die set and ensure all components are included.
- Identify the Type S Bushing Full Sizing Die and the Competition Bullet Seating Die.
- Attach the sizing die to your reloading press according to the press manufacturer's instructions.
- Insert the appropriate bushing into the sizing die to achieve your desired neck tension.

### **2. Resizing Cases:**

- Ensure that the cases are clean and free of any debris before placing them in the die.
- Adjust the die to the desired depth for fulllength resizing.
- Operate the press smoothly to resize the cases, checking periodically for proper sizing.

### **3. Seating Bullets:**

- Install the Competition Bullet Seating Die into the reloading press.
- Set the micrometer to the desired bullet seating depth, adjusting in .001" increments as needed.

- Place a bullet into the case mouth and operate the press to seat the bullet securely.

#### **4. PostUsage Care:**

- After use, clean the die set to remove any residue and prevent corrosion.
- Store the die set in a dry, safe place, away from children and pets.

## **Disposal Instructions**

- Dispose of any damaged or unusable components of the die set in accordance with local waste disposal regulations.
- Do not dispose of the die set in regular household waste if it contains hazardous materials.
- Check with your local waste management authority for specific disposal guidelines related to reloading equipment.
