

TYPE S MATCH BUSHING FULL DIE SETS - REDDING 6.5X47MM LAPUA BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck. Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

Safety Instruction Guide for Redding Type S Match Bushing Full Length Die Set, 6.5x47mm Lapua

Introduction

Thank you for choosing the Redding Type S Match Bushing Full Length Die Set for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read all instructions carefully before use.

General Safety Guidelines

- Ensure you are familiar with the basic principles of reloading ammunition before using this product.
- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading.
- Keep the work area clean and organized to prevent accidents and distractions.
- Store reloading components and equipment out of reach of children and unauthorized users.
- Regularly inspect the die set for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding ammunition reloading and storage.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Ensure that the die set is compatible with the 6.5x47mm Lapua cartridge.
 - Be aware of potential risks associated with improper handling or storage of reloading components.
- **Instructions for Avoiding Hazards:**
 - Do not exceed recommended load limits as specified in reloading manuals.
 - Avoid using damaged or worn components, as they may lead to malfunction or accidents.
 - Always doublecheck measurements and settings before proceeding with reloading.
 - Use the die set only for its intended purpose; do not modify or misuse the equipment.
- **Age Specific Warnings:**
 - This product is intended for use by adults who are knowledgeable about reloading practices. Keep out of reach of children.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure your reloading press is securely mounted and stable.
 2. Remove any existing dies from the press.
 3. Carefully install the Redding Type S Match Bushing Full Length Die by threading it into the press.
 4. Adjust the die to the desired position according to the manufacturer's instructions.
- **Usage:**
 1. Set your reloading press to the appropriate settings based on the cartridge specifications.
 2. Insert the cartridge case into the shell holder of the press.
 3. Follow the reloading manual for specific instructions on resizing, bushing selection, and bullet

seating.

4. After reloading, inspect each cartridge for proper dimensions and signs of defects.

Disposal Instructions

- Dispose of any unused or expired reloading components in accordance with local regulations.
- Do not dispose of hazardous materials in regular trash; contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Redding Type S Match Bushing Full Length Die Set, please refer to the manufacturer's contact information provided in the product packaging.

Conclusion

By following these safety instructions, you can ensure a safe and successful reloading experience with the Redding Type S Match Bushing Full Length Die Set. Always prioritize safety and stay informed about best practices in ammunition reloading.
