

TYPE S MATCH BUSHING FULL DIE SETS - REDDING 338 LAPUA MAGNUM BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck. Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

Safety Instruction Guide for Redding Type S Match Bushing Full Length Die Set, 338 Lapua Magnum

Introduction

Thank you for choosing the Redding Type S Match Bushing Full Length Die Set for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the die set to avoid any potential hazards.

General Safety Guidelines

- Always follow the manufacturer's instructions and guidelines when using the die set.
- Ensure that the workspace is clean, organized, and free from distractions.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when handling components.
- Keep the die set and all reloading components out of reach of children and unauthorized users.
- Regularly inspect the die set for any signs of wear or damage before each use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that you are familiar with the operation of reloading equipment before using this die set.
- Use only the recommended cartridges (338 Lapua Magnum) with this die set.
- Do not exceed the recommended load specifications provided by the powder manufacturer.
- Avoid using damaged or defective components.
- Always doublecheck measurements and settings before beginning the reloading process.
- Be cautious when handling primers and powders, as they can be sensitive to heat and friction.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components, including the die set, reloading press, and appropriate cartridges.
- Ensure that your workspace is wellventilated and free from flammable materials.

2. Installation:

- Securely mount the reloading press to a stable workbench.
- Follow the instructions provided with the die set to install the dies correctly into the press.
- Adjust the die settings according to the specifications for the 338 Lapua Magnum.

3. Usage:

- Begin the reloading process by following the stepbystep instructions provided by the manufacturer.
- Monitor the reloading process closely to ensure that all components are functioning correctly.
- After reloading, inspect each cartridge for any defects or irregularities before use.

Disposal Instructions

- Dispose of any unused components, such as spent primers and powders, in accordance with local regulations.
- Ensure that all materials are disposed of in a safe and environmentally friendly manner.
- Contact local waste management authorities for guidance on the proper disposal of hazardous materials.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Redding Type S Match Bushing Full Length Die Set, please contact the appropriate EU-based support services or refer to the manufacturer's website for additional resources and assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding Type S Match Bushing Full Length Die Set. Thank you for your attention to these important guidelines.
