

TYPE S MATCH BUSHING FULL DIE SETS - REDDING 20 VARTARG BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck. Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

Safety Instruction Guide for TYPE S MATCH BUSHING FULL DIE SETS REDDING 20 VARTARG BUSHING FULL LENGTH DIE SET

Introduction

Thank you for choosing the Redding Type S Match Bushing Full Die Set. This guide provides essential safety instructions and usage information to ensure safe and effective operation of your die set. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure that the die set is used only for its intended purpose, which is to resize and seat bullets for the 20 Vartarg cartridge.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling reloading equipment.
- Keep the die set and all related materials out of reach of children and pets.
- Regularly inspect the die set for any signs of wear or damage. Do not use if any components are damaged.
- Store the die set in a dry, secure location to prevent damage and ensure safety.

Specific Safety Precautions for Use

- Always follow the manufacturer's instructions for setup and operation.
- Use the die set in a wellventilated area to avoid inhaling any dust or particles.
- Ensure your work area is clean and organized to prevent accidents.
- Never exceed the recommended load data for the 20 Vartarg cartridge.
- Be cautious when adjusting the neck tension using interchangeable bushings; improper adjustments can lead to unsafe ammunition.
- Always doublecheck your measurements and settings before proceeding with reloading.

Instructions for Installation and Usage

1. Installation of the Die Set:

- Begin by selecting the appropriate bushing for your desired neck tension.
- Secure the Type S Bushing Full Sizing Die in your reloading press according to the manufacturer's instructions.
- Insert the bushing into the die and tighten it securely.

2. Resizing Cases:

- Place the case in the shell holder of your reloading press.
- Operate the press to resize the case fully, ensuring the die is adjusted correctly for your specific needs.

3. Seating Bullets:

- Install the Competition Bullet Seating Die in your reloading press.
- Set the micrometer to the desired bullet seating depth.
- Place a bullet on the case mouth and operate the press to seat the bullet.

4. Final Checks:

- After reloading, inspect each cartridge for proper sizing and bullet seating.
- Ensure that all cartridges meet safety and quality standards before use.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Recycle packaging materials when possible.
- Do not dispose of any hazardous materials improperly; consult local waste management guidelines.

Contact Information for Further Support

For safety inquiries or further assistance regarding the Redding Type S Match Bushing Full Die Set, please refer to the contact details provided by the manufacturer or retailer from whom you purchased the product.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with the Redding Type S Match Bushing Full Die Set. Always prioritize safety and do not hesitate to seek assistance if you have any questions or concerns. Thank you for choosing Redding.
