

COMPETITION BUSHING NECK DIE SETS - 270 WINCHESTER

COMPETITION BUSHING NECK DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Redding Competition Bushing Neck Die Set includes a Competition Bushing Neck Sizing Die, a Body Die, and a Competition Bullet Seater. Neck Sizing Die and Seater feature micrometer adjustments. Bushings and Shellholder sold separately. Competition Bushing Neck Die - With this die, the cartridge case is completely supported and aligned with the sizing bushing before the sizing process begins. As the sizing process starts, the cartridge case remains supported in the tightly chambered, sliding sleeve as it moves upward while the resizing bushing self-centers on the case neck. The decapping rod is maintained in precise alignment by using the internal parts of the die as a linear support much like that of a firing pin. Meanwhile, the micrometer adjustment of the bushing position delivers precise control to the desired amount of neck length to be sized. Body Die -designed to full length resize the case body and bump the shoulder position for proper chambering without disturbing the case neck. Competition Bullet Seater - Tighter manufacturing tolerances have been made possible due to the details of the floating seating stem system. The bullet guide to seating stem fit is so precise that the seating stem can actually be demonstrated to "float"

Attributes

- Name: [270 WINCHESTER COMPETITION BUSHING NECK DIE SET](#)
- Manufacturer: [REDDING](#)
- Product no.: 749008215
- Mfr. No.: 58135

Safety Instruction Guide for Redding Competition Bushing Neck Die Set

Introduction

Thank you for choosing the Redding Competition Bushing Neck Die Set for your reloading needs. This guide provides important safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before use.

General Safety Guidelines

- Follow all safety instructions provided in this guide to minimize risks.
- Ensure that the die set is used only for its intended purpose: reloading cartridges for the 270 Winchester.
- Always wear appropriate safety gear, including safety glasses and hearing protection, when reloading.
- Keep the die set out of reach of children and unauthorized users.
- Regularly inspect the die set for wear or damage before each use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Risk of injury from improper handling or operation of the die set.
 - Risk of damage to the die set or cartridge cases if used incorrectly.
- **Avoiding Hazards:**
 - Always ensure that the die is securely mounted in the reloading press before use.
 - Do not attempt to modify or disassemble the die set.
 - Use only compatible bushings and shellholders as specified by the manufacturer.
 - Keep hands and other body parts clear of the die and press during operation.
 - Ensure that the work area is clean and free from distractions while reloading.

Instructions for Installation and Usage

- **Installation:**
 1. Securely mount the Competition Bushing Neck Sizing Die in your reloading press.
 2. Insert the appropriate bushing into the sizing die.
 3. Adjust the micrometer for desired neck length sizing.
- **Usage:**
 - **Neck Sizing:**
 1. Place an empty cartridge case into the shellholder.
 2. Raise the ram of the press to bring the case into contact with the sizing die.
 3. Lower the ram to complete the sizing process.
 - **Body Resizing:**
 1. Use the Body Die to resize the case body and bump the shoulder position.
 2. Follow the same procedure as for neck sizing, ensuring proper alignment.
 - **Bullet Seating:**
 1. Insert the bullet into the cartridge case.
 2. Position the cartridge in the bullet seater and adjust the seating depth using the micrometer.
 3. Raise the ram to seat the bullet securely.

Disposal Instructions

- Dispose of any damaged or worn components of the die set in accordance with local regulations.
- Do not dispose of the die set in regular household waste. Instead, contact local recycling centers for proper disposal methods.

Contact Information for Further Support

For further assistance or inquiries regarding product safety, please contact the manufacturer or your local retailer. Ensure you have the product details ready for a more efficient response.

Thank you for your attention to these safety guidelines. Enjoy your reloading experience with the Redding Competition Bushing Neck Die Set.
