

# COMPETITION BUSHING NECK DIE SETS - REDDING 7MM REMINGTON MAGNUM COMPETITION BUSHING NECK DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Redding Competition Bushing Neck Die Set includes a Competition Bushing Neck Sizing Die, a Body Die, and a Competition Bullet Seater. Neck Sizing Die and Seater feature micrometer adjustments. Bushings and Shellholder sold separately. Competition Bushing Neck Die - With this die, the cartridge case is completely supported and aligned with the sizing bushing before the sizing process begins. As the sizing process starts, the cartridge case remains supported in the tightly chambered, sliding sleeve as it moves upward while the resizing bushing self-centers on the case neck. The decapping rod is maintained in precise alignment by using the internal parts of the die as a linear support much like that of a firing pin. Meanwhile, the micrometer adjustment of the bushing position delivers precise control to the desired amount of neck length to be sized. Body Die -designed to full length resize the case body and bump the shoulder position for proper chambering without disturbing the case neck. Competition Bullet Seater - Tighter manufacturing tolerances have been made possible due to the details of the floating seating stem system. The bullet guide to seating stem fit is so precise that the seating stem can actually be demonstrated to "float"

Redding Competition Bushing Neck Die Set, 7mm Rem. Mag

# Safety Instruction Guide for Redding Competition Bushing Neck Die Set, 7mm Rem. Mag

## Introduction

Thank you for choosing the Redding Competition Bushing Neck Die Set for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully and keep it for future reference.

## General Safety Guidelines

- Always handle the die set with care to avoid injury.
- Store the die set in a dry, safe place away from children and pets.
- Ensure that your workspace is clean and organized to prevent accidents.
- Use the die set only for its intended purpose—reloading 7mm Remington Magnum cartridges.
- Familiarize yourself with the components of the die set before use.
- Always wear appropriate safety gear, including eye protection, when reloading ammunition.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper handling may lead to injury.
- Using the die set with incompatible cartridges can cause malfunctions.
- Exposure to lead and other materials during reloading can be harmful.

### • Avoiding Hazards:

- Always follow the manufacturer's instructions for reloading.
- Do not exceed recommended load limits.
- Ensure that all tools and equipment used are in good condition.
- Keep your hands and face clear of moving parts during operation.
- Do not use the die set if it is damaged or malfunctioning.

### • Audience Specific Warnings:

- This product is intended for use by individuals who are knowledgeable about firearms and reloading practices. It is not suitable for children.

## Instructions for Installation and Usage

### • Installation:

1. Ensure that your reloading press is securely mounted and stable.
2. Carefully remove the die set from its packaging.
3. Follow the manufacturer's instructions to install the neck die into your reloading press.
4. Adjust the die according to your specific reloading requirements.

### • Usage:

1. Prepare your workspace by gathering all necessary tools and materials.
2. Inspect the die set for any signs of damage or wear before use.
3. Follow the specific reloading data for 7mm Remington Magnum cartridges.

4. Use the die set to size the neck of your cartridge cases as per the instructions.
5. After reloading, inspect the cartridges for any defects before use.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- Do not dispose of spent primers or other reloading waste in regular trash.
- Check local guidelines for proper disposal methods of hazardous materials.

## Contact Information for Further Support

For safety inquiries or further support regarding the Redding Competition Bushing Neck Die Set, please refer to the manufacturer's contact information provided with the product.

## Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with your Redding Competition Bushing Neck Die Set. Always prioritize safety and adhere to best practices when handling firearms and reloading equipment. Thank you for your attention to these important safety measures.
