

COMPETITION BUSHING NECK DIE SETS - REDDING 300 REMINGTON ULTRA MAGNUM COMPETITION BUSHING NECK DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Redding Competition Bushing Neck Die Set includes a Competition Bushing Neck Sizing Die, a Body Die, and a Competition Bullet Seater. Neck Sizing Die and Seater feature micrometer adjustments. Bushings and Shellholder sold separately. Competition Bushing Neck Die - With this die, the cartridge case is completely supported and aligned with the sizing bushing before the sizing process begins. As the sizing process starts, the cartridge case remains supported in the tightly chambered, sliding sleeve as it moves upward while the resizing bushing self-centers on the case neck. The decapping rod is maintained in precise alignment by using the internal parts of the die as a linear support much like that of a firing pin. Meanwhile, the micrometer adjustment of the bushing position delivers precise control to the desired amount of neck length to be sized. Body Die -designed to full length resize the case body and bump the shoulder position for proper chambering without disturbing the case neck. Competition Bullet Seater - Tighter manufacturing tolerances have been made possible due to the details of the floating seating stem system. The bullet guide to seating stem fit is so precise that the seating stem can actually be demonstrated to "float"

Redding Competition Bushing Neck Die Set, 300 Rem Ultra Mag

Redding Competition Bushing Neck Die Set Safety Instructions

Introduction

Thank you for choosing the Redding Competition Bushing Neck Die Set for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of your die set. Please read this document carefully and keep it for future reference.

General Safety Guidelines

- Always use the die set in accordance with the manufacturer's instructions.
- Ensure that your work area is clean, welllit, and free from distractions.
- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when handling components.
- Keep the die set and all accessories out of reach of children and unauthorized users.
- Regularly inspect the die set for wear or damage before use.
- If you notice any irregularities or issues, discontinue use and consult a qualified technician.

Specific Safety Precautions for Use

- Ensure that the die set is compatible with the 300 Remington Ultra Magnum cartridge before use.
- Use only recommended lubricants and cleaning agents.
- Avoid using excessive force during the reloading process to prevent damage to the die set and ensure safety.
- Be aware of the potential hazards associated with reloading, including exposure to lead and other chemicals.
- Store all components and tools in a secure location when not in use.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Carefully read the installation instructions provided with the die set.
- Insert the bushing neck die into the reloading press according to the manufacturer's guidelines.
- Adjust the die to the desired position, ensuring it is properly secured.

2. Usage:

- Begin by preparing your brass cases according to standard reloading practices.
- Lubricate the cases as needed to facilitate smooth resizing.
- Follow the recommended procedures for adjusting the die to achieve the desired neck tension.
- Carefully monitor the reloading process, checking for any signs of malfunction or irregularity.
- After reloading, inspect each cartridge for proper seating and overall quality.

Disposal Instructions

- Dispose of any used or damaged components in accordance with local regulations.
- Follow proper hazardous waste disposal guidelines for any materials that may pose environmental risks.
- Do not discard any parts in regular household waste.

Contact Information for Further Support

For any questions regarding safety, usage, or maintenance of the Redding Competition Bushing Neck Die Set, please refer to the manufacturer's contact information provided with the product packaging or visit their official website.

Thank you for prioritizing safety while using the Redding Competition Bushing Neck Die Set. Your compliance with these guidelines helps ensure a safe and enjoyable reloading experience.
