

COMPETITION BUSHING NECK DIE SETS - 260 REMINGTON

COMPETITION BUSHING NECK DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Redding Competition Bushing Neck Die Set includes a Competition Bushing Neck Sizing Die, a Body Die, and a Competition Bullet Seater. Neck Sizing Die and Seater feature micrometer adjustments. Bushings and Shellholder sold separately. Competition Bushing Neck Die - With this die, the cartridge case is completely supported and aligned with the sizing bushing before the sizing process begins. As the sizing process starts, the cartridge case remains supported in the tightly chambered, sliding sleeve as it moves upward while the resizing bushing self-centers on the case neck. The decapping rod is maintained in precise alignment by using the internal parts of the die as a linear support much like that of a firing pin. Meanwhile, the micrometer adjustment of the bushing position delivers precise control to the desired amount of neck length to be sized. Body Die -designed to full length resize the case body and bump the shoulder position for proper chambering without disturbing the case neck. Competition Bullet Seater - Tighter manufacturing tolerances have been made possible due to the details of the floating seating stem system. The bullet guide to seating stem fit is so precise that the seating stem can actually be demonstrated to "float"

Safety Instruction Guide for COMPETITION BUSHING NECK DIE SETS 260 REMINGTON

Introduction

Thank you for choosing the Redding Competition Bushing Neck Die Set. This guide provides important safety instructions to ensure the safe use of this product. Please read and understand all instructions before using the die set.

General Safety Guidelines

- Ensure that the die set is used only for its intended purpose, which is to resize and seat bullets for the 260 Remington cartridge.
- Always wear appropriate safety gear, including safety glasses, when using reloading equipment.
- Keep the die set out of reach of children and pets.
- Regularly inspect the die set for any signs of wear or damage before use.
- Follow all local, state, and federal regulations regarding ammunition reloading.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The die set involves handling sharp metal components. Exercise caution to avoid cuts.
 - Improper use may lead to misfires or accidents. Always ensure proper alignment and operation.
- **Avoiding Hazards:**
 - Do not use the die set if you are under the influence of drugs or alcohol.
 - Ensure your workspace is clean and free of clutter to prevent accidents.
 - Always use the die set in a wellventilated area to avoid inhaling any particles.
- **Age Restrictions:**
 - This product is intended for use by individuals aged 18 and older. Minors should be supervised by a responsible adult.

Instructions for Installation and Usage

- **Installation:**
 1. Read the product manual thoroughly before installation.
 2. Ensure the reloading press is securely mounted to a stable surface.
 3. Attach the Competition Bushing Neck Sizing Die to the press according to the manufacturer's instructions.
 4. Install the Body Die in the same manner, ensuring proper alignment.
 5. Attach the Competition Bullet Seater to the press.
- **Usage:**
 1. Prepare your work area by gathering all necessary components and tools.
 2. Insert the cartridge case into the sizing die and ensure it is fully seated.
 3. Adjust the micrometer settings for the desired neck length before commencing the resizing process.
 4. Operate the press smoothly and steadily to resize the cartridge case.
 5. For bullet seating, insert the bullet into the case mouth and adjust the seater to the desired depth.
 6. Always inspect the completed cartridge for proper assembly before use.

Disposal Instructions

- Dispose of any damaged or wornout components in accordance with local waste disposal regulations.
- Do not discard the die set in regular household trash. Contact local recycling centers for proper disposal methods.

Contact Information for Further Support

For any inquiries related to product safety or usage, please contact the manufacturer's customer support or consult the product manual. Always refer to the EU Safety Gate platform for updates on recalls or safety notices related to this product.

By following these guidelines, you will help ensure a safe and effective reloading experience with your Redding Competition Bushing Neck Die Set. Thank you for prioritizing safety!
