

# TYPE S MATCH BUSHING FULL DIE SETS - REDDING 6X47MM LAPUA BUSHING FULL LENGTH DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Type S Match Bushing Full Die Set contains a Type S Bushing Full Sizing Die and a Competition Seating Die. The Type S Bushing Full Die allows full length resizing while maintaining exact control of the case neck. Interchangeable bushings allow you to determine your own level of sizing and neck tension. The Competition Bullet Seating Die features a micrometer calibrated in .001" increments and floating seating stem system which help eliminate concentricity problems.

# Safety Instruction Guide for Redding Type S Match Full Length Die Set, 6x47 Lapua

## Introduction

Thank you for choosing the Redding Type S Match Full Length Die Set for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the die set.

## General Safety Guidelines

- Ensure that all reloading equipment is used in accordance with the manufacturer's instructions.
- Always wear appropriate safety gear, such as safety glasses and gloves, when handling reloading materials.
- Keep the die set and all reloading components out of reach of children and unauthorized users.
- Store all reloading components, including powders and primers, in a cool, dry place, away from direct sunlight and heat sources.
- Regularly inspect the die set for any signs of wear or damage before each use.
- Be aware of the specific hazards associated with reloading, including the risks of handling gunpowder and primers.

## Specific Safety Precautions for Use

- Use only the recommended cartridge, which in this case is the 6 x 47 Lapua, to avoid any malfunction or injury.
- Do not exceed the recommended load specifications provided for the 6 x 47 Lapua cartridge.
- Always ensure that the work area is wellventilated when reloading.
- Avoid distractions while reloading to maintain focus and prevent accidents.
- In case of an emergency, such as a fire or explosion, follow proper emergency procedures and evacuate the area immediately.

## Instructions for Installation and Usage

### 1. Installation of the Die Set:

- Ensure that your reloading press is securely mounted and stable.
- Insert the Redding Type S Match Full Length Die into the reloading press according to the manufacturer's instructions.
- Adjust the die according to your desired settings, ensuring it is locked in place.

### 2. Usage of the Die Set:

- Prepare your brass cases by cleaning and inspecting them for damage.
- Follow the specific reloading data for the 6 x 47 Lapua cartridge, including powder type and charge weight.
- Carefully seat bullets into the cases using the die set, ensuring proper alignment.
- After reloading, inspect each cartridge to confirm that it meets safety and quality standards.

## Disposal Instructions

- Dispose of any unused reloading materials, including powders and primers, in accordance with local regulations.
- Do not throw away reloading components in regular household waste.

- Contact local hazardous waste disposal facilities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Redding Type S Match Full Length Die Set, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience. Always prioritize safety and remain informed about best practices in reloading. Thank you for your attention to these guidelines.
