

COMPETITION BUSHING NECK DIE SETS - REDDING 6.5X55MM

SWEDE COMPETITION BUSHING NECK DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Redding Competition Bushing Neck Die Set includes a Competition Bushing Neck Sizing Die, a Body Die, and a Competition Bullet Seater. Neck Sizing Die and Seater feature micrometer adjustments. Bushings and Shellholder sold separately. Competition Bushing Neck Die - With this die, the cartridge case is completely supported and aligned with the sizing bushing before the sizing process begins. As the sizing process starts, the cartridge case remains supported in the tightly chambered, sliding sleeve as it moves upward while the resizing bushing self-centers on the case neck. The decapping rod is maintained in precise alignment by using the internal parts of the die as a linear support much like that of a firing pin. Meanwhile, the micrometer adjustment of the bushing position delivers precise control to the desired amount of neck length to be sized. Body Die -designed to full length resize the case body and bump the shoulder position for proper chambering without disturbing the case neck. Competition Bullet Seater - Tighter manufacturing tolerances have been made possible due to the details of the floating seating stem system. The bullet guide to seating stem fit is so precise that the seating stem can actually be demonstrated to "float"

Redding Competition Bushing Neck Die Set, 6.5 x 55 Swedish

Safety Instruction Guide for Redding Competition Bushing Neck Die Set, 6.5 x 55 Swedish

Introduction

Thank you for choosing the Redding Competition Bushing Neck Die Set for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this document carefully before using the die set.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle reloading equipment with care to avoid accidents.
- Keep the die set out of reach of children and vulnerable individuals.
- Regularly inspect the die set for any signs of wear or damage before use.
- Follow all manufacturer instructions for safe operation.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using reloading equipment.
- Ensure the work area is welllit and free from clutter to avoid accidents.
- Do not exceed the recommended load specifications for the 6.5 x 55 mm Swedish cartridge.
- Never leave the die set unattended while in use.
- Use only compatible components with the die set to prevent malfunctions.
- Be cautious of hot surfaces during and after use, as components may become heated.

Instructions for Installation and Usage

1. Installation:

- Read the manufacturer's instructions thoroughly before beginning the installation process.
- Ensure that your reloading press is compatible with the Redding Competition Bushing Neck Die Set.
- Securely mount the die set in the press according to the manufacturer's guidelines.

2. Usage:

- Adjust the die set according to the specifications for the 6.5 x 55 mm Swedish cartridge.
- Ensure that the bushing is properly seated and locked in place before starting the reloading process.
- Follow the stepbystep reloading instructions provided by the manufacturer to produce safe and reliable ammunition.
- After use, clean the die set to maintain its condition and performance.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not throw the die set or any associated materials in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods for reloading equipment.

Contact Information for Further Support

For any questions or concerns regarding the Redding Competition Bushing Neck Die Set, please refer to the manufacturer's website or contact their customer service for assistance. Ensure that you have the product details readily available for a more efficient response.

Thank you for your attention to these safety guidelines. Enjoy your reloading experience with the Redding Competition Bushing Neck Die Set safely and responsibly.
