# Safety Instruction Guide for TYPE S MATCH BUSHING NECK DIE SETS

## Introduction

Thank you for purchasing the TYPE S MATCH BUSHING NECK DIE SET for 250 Savage by Redding. This product is designed to assist you in the reloading process for your rifle cartridges. It is essential to follow the safety guidelines outlined in this manual to ensure safe and effective use.

## General Safety Guidelines

- Always read the instruction manual before using the product.
- Ensure that the workspace is clean, organized, and free of distractions.
- Store the die set in a secure location, out of reach of children and pets.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling reloading materials.
- Be aware of potential hazards associated with reloading, including lead exposure and high pressure situations.
- Regularly inspect the die set for any signs of wear or damage before use.
- Follow local regulations and guidelines regarding the handling and storage of reloading materials.

## Specific Safety Precautions for Use

- Do not exceed the recommended load specifications for your cartridges.
- Use only compatible components with the die set.
- Ensure that the die set is securely mounted to your reloading press before use.
- Avoid distractions while reloading; focus on the task at hand.
- Keep your hands and face clear of the reloading press during operation.
- Dispose of any damaged or worn components properly; do not attempt to use them.
- If you experience any malfunctions or issues, cease use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation

- Unpack the die set and ensure all components are present: Type S Bushing Neck Sizing Die, Body Die, and Competition Seating Die.
- Clean the dies with a suitable solvent to remove any protective oils.
- Mount the dies onto your reloading press according to the manufacturer's instructions.
- Adjust the sizing die to the appropriate depth based on your cartridge specifications.

### 2. Usage

- Refer to the reloading manual for the specific cartridge load data.
- Begin with the sizing die to resize the brass cases.
- Use the body die to shape the case body as needed.
- Finally, utilize the competition seating die for accurate bullet seating.
- After each session, clean the dies to maintain optimal performance.

## Disposal Instructions

- Dispose of any used or damaged components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste.

- Check with local authorities for proper disposal methods for hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the TYPE S MATCH BUSHING NECK DIE SET, please consult the manufacturer's website or customer service for assistance. It is important to have access to support for any safety inquiries or product issues.

Thank you for prioritizing safety while using the TYPE S MATCH BUSHING NECK DIE SET. Your adherence to these guidelines will ensure a safe and enjoyable reloading experience.
