# Safety Instruction Guide for TYPE S MATCH BUSHING NECK DIE SETS

## Introduction

Thank you for choosing the TYPE S MATCH BUSHING NECK DIE SET by Redding. This product is designed for precision reloading of 6 mm/22250 Remington cartridges. To ensure your safety and the proper functioning of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure that all users are familiar with the proper handling and usage of reloading equipment.
- Always wear appropriate safety gear, including safety glasses and gloves, when using this product.
- Keep the workspace clean and organized to prevent accidents.
- Store the die set in a secure location, out of reach of children and pets.
- Regularly inspect the equipment for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always follow the manufacturer's instructions for setup and operation.
- Do not exceed recommended load specifications for the cartridges.
- Avoid using the die set in wet or damp conditions.
- Ensure that all components are properly secured before use.
- Never point the die set or loaded cartridges at yourself or others.
- Use only compatible cartridges with the die set to prevent malfunction.
- Be aware of the potential for lead exposure and take necessary precautions.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is compatible with the TYPE S MATCH BUSHING NECK DIE SET.
- Carefully unpack the die set and inspect for any damage.
- Install the Type S Bushing Neck Sizing Die into the reloading press as per the manufacturer's instructions.
- Attach the Body Die and Competition Seating Die in the same manner.
- Adjust the dies according to your specific reloading needs.

### 2. Usage:

- Begin by resizing the brass cases using the Type S Bushing Neck Sizing Die.
- Follow up with the Body Die to ensure proper case dimensions.
- Finally, use the Competition Seating Die to seat the bullets accurately.
- Monitor the reloading process closely to ensure safety and precision.
- Keep a log of your reloading practices for future reference.

## Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Recycle packaging materials where possible.
- Do not dispose of cartridges or any reloading materials in regular household waste.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please consult the relevant EUbased contact point or your local retailer. Always stay informed about product recalls via the EU's Safety Gate platform.

By following these guidelines, you can ensure a safe and effective reloading experience with the TYPE S MATCH BUSHING NECK DIE SET. Thank you for your attention to safety and responsible usage.
