TYPE S MATCH BUSHING NECK DIE SETS SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the TYPE S Match Bushing Neck Die Set for your reloading needs. This product is designed to provide precision and reliability when preparing ammunition for your rifle. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle reloading equipment with care and respect.
- Ensure that your working area is clean, dry, and wellventilated.
- Keep the die set and all reloading components out of reach of children and unauthorized users.
- Familiarize yourself with the specific characteristics and requirements of the 338 Lapua cartridge before use.
- Always use protective eyewear when operating reloading equipment to protect against potential hazards.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the die set is compatible with your reloading press before use.
- Inspect the die set for any signs of damage or wear before each use; do not use damaged components.
- Use only the recommended bushing size for your specific application to avoid oversizing or undersizing cases.
- Avoid using excessive force when operating the die set; this can cause damage or personal injury.
- Always follow the manufacturer's recommended load data and guidelines when reloading ammunition.
- Never exceed the maximum load limits specified for the 338 Lapua cartridge.

Instructions for Installation and Usage

1. Installation:

- Securely mount the reloading press on a stable work surface.
- Attach the Type S Bushing Neck Sizing Die to the reloading press according to the manufacturer's instructions.
- Insert the appropriate bushing into the sizing die.
- Attach the Body Die and Competition Seating Die to the press as needed for your reloading process.

2. Usage:

- Begin by resizing the brass cases using the Type S Bushing Neck Sizing Die.
- Follow this by using the Body Die to ensure proper case fit.
- Finally, use the Competition Seating Die to seat the bullet to the desired depth.
- Regularly check the dimensions of your cases and bullets to ensure they meet safety and performance standards.
- Clean the die set after each use to maintain optimal performance.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not throw away the die set or any of its parts in regular household waste.

- Consider recycling options for metal components where available.

Contact Information for Further Support

For any inquiries regarding safety, product usage, or to report unsafe products, please contact the manufacturer or your local regulatory authority. Always ensure that you have the latest information regarding safety recalls and product updates.

Thank you for prioritizing safety and for choosing the TYPE S Match Bushing Neck Die Set. Happy reloading!
