Safety Instruction Guide for TYPE S MATCH BUSHING NECK DIE SETS

Introduction

Thank you for choosing the TYPE S MATCH BUSHING NECK DIE SETS. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read and follow these guidelines carefully to minimize risks and maximize your experience.

General Safety Guidelines

- Product Safety:
 - Always ensure the die set is used in accordance with the manufacturer's instructions.
 - Inspect the product for damage before use. Do not use if damaged.
- Enhanced Recalls:
 - Stay informed about any recalls related to this product. Check the EU Safety Gate platform for updates.
- Online Shopping:
 - If purchased online, ensure that the seller complies with EU safety requirements.
- Special Consumer Focus:
 - Keep this product out of reach of children and vulnerable individuals.
- EU Contact Point:
 - For any safety inquiries, refer to the product packaging or contact the authorized distributor in your region.
- Rapid Alerts:
 - Monitor the Safety Gate system for any alerts regarding this product.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using the die set.
- Ensure the workspace is clean and free from clutter to avoid accidents.
- Do not exceed the recommended load limits during use.
- Keep hands and body parts clear of moving parts and areas where the die set is being operated.
- Never leave the die set unattended while in use.
- Store the die set in a secure location to prevent unauthorized access.

Instructions for Installation and Usage

- **Installation:**
 1. Read all instructions and safety information before installation.
 2. Ensure that your reloading press is compatible with the TYPE S MATCH BUSHING NECK DIE SET.

3. Securely attach the sizing die, body die, and competition seating die to the reloading press according to the manufacturer's instructions.
4. Check that all components are tightened and properly aligned before use.

- **Usage:**

1. Prepare your workspace by ensuring all tools and materials are organized and within reach.
2. Follow the specific instructions for each die included in the set:
 - **Bushing Neck Sizing Die:** Adjust the bushing to achieve the desired neck tension.
 - **Body Die:** Use to resize the case body for proper chamber fit.
 - **Competition Seating Die:** Carefully adjust the seating depth for optimal bullet placement.
3. Regularly inspect the dies for wear and tear. Replace any worn components immediately.
4. Clean the dies after each use to maintain performance and longevity.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the die set is no longer usable, follow local guidelines for disposing of metal and plastic components.
- Do not dispose of the product in household waste. Instead, use designated recycling facilities if available.

Contact Information for Further Support

For additional support or inquiries regarding the TYPE S MATCH BUSHING NECK DIE SETS, please refer to the contact information provided on the product packaging or through the authorized distributor.

By adhering to these safety instructions, you can ensure a safe and effective experience with your TYPE S MATCH BUSHING NECK DIE SETS. Thank you for prioritizing safety in your reloading activities.
