

# COMPETITION BUSHING NECK DIE SETS - REDDING 7MM REMINGTON SAUM COMPETITION BUSHING NECK DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Redding Competition Bushing Neck Die Set includes a Competition Bushing Neck Sizing Die, a Body Die, and a Competition Bullet Seater. Neck Sizing Die and Seater feature micrometer adjustments. Bushings and Shellholder sold separately. Competition Bushing Neck Die - With this die, the cartridge case is completely supported and aligned with the sizing bushing before the sizing process begins. As the sizing process starts, the cartridge case remains supported in the tightly chambered, sliding sleeve as it moves upward while the resizing bushing self-centers on the case neck. The decapping rod is maintained in precise alignment by using the internal parts of the die as a linear support much like that of a firing pin. Meanwhile, the micrometer adjustment of the bushing position delivers precise control to the desired amount of neck length to be sized. Body Die -designed to full length resize the case body and bump the shoulder position for proper chambering without disturbing the case neck. Competition Bullet Seater - Tighter manufacturing tolerances have been made possible due to the details of the floating seating stem system. The bullet guide to seating stem fit is so precise that the seating stem can actually be demonstrated to "float"

Competition Bushing Neck Die Set, 7mm Rem SA Ultra Mag

# COMPETITION BUSHING NECK DIE SET SAFETY INSTRUCTIONS

## Introduction

Thank you for purchasing the Competition Bushing Neck Die Set for 7mm Remington SAUM. This guide provides essential safety instructions to ensure safe and effective use of this product. Please read and understand these guidelines before using the die set.

## General Safety Guidelines

- Always handle the die set with care to avoid injury.
- Ensure that the die set is used in a wellventilated area.
- Keep the die set out of reach of children and unauthorized users.
- Regularly inspect the die set for any signs of wear or damage.
- Use the die set only for its intended purpose as specified in this manual.
- Follow all local laws and regulations regarding the use of reloading equipment.

## Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses and gloves, when using the die set.
- Avoid loose clothing and jewelry that could get caught in machinery.
- Always ensure the die set is securely mounted before use.
- Do not exceed the recommended load specifications for the 7mm Remington SAUM cartridge.
- Be aware of the potential hazards associated with reloading, including the risk of explosion from improper handling of gunpowder.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that your reloading press is compatible with the die set.
- Carefully unpack the die set and inspect all components.
- Mount the die set securely onto the reloading press using the provided instructions.
- Adjust the die set according to the specifications for the 7mm Remington SAUM cartridge.

### 2. Usage

- Follow the reloading procedures as outlined by the manufacturer of your reloading press.
- Check that all components are correctly aligned before beginning the reloading process.
- Gradually apply pressure when resizing or seating bullets to avoid damaging the die set.
- After use, clean the die set to prevent corrosion and maintain its performance.

## Disposal Instructions

- Dispose of any damaged or worn components of the die set according to local regulations.
- Do not dispose of the die set in regular household waste.
- Contact your local waste management facility for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or support regarding the Competition Bushing Neck Die Set, please refer to the

manufacturer's contact details provided with your product.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective reloading experience with your Competition Bushing Neck Die Set. Always prioritize safety and stay informed about best practices for reloading. Thank you for your attention to these guidelines.
