

DELUXE 3-DIE SETS - REDDING 6.5-06 ACKLEY IMPROVED 3 DIE SET

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Deluxe Die Sets include the full length sizing die, standard seating die and the neck sizing die. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Guaranteed to produce ammunition that will properly fit any standard (SAAMI) chamber. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging, they come in a handy die box with a spare decapping pin, hex wrench and a place for your shellholder (sold separately).

Safety Instruction Guide for DELUXE 3DIE SETS

REDDING 6.506 ACKLEY IMPROVED 3 DIE SET

Introduction

Thank you for choosing the Redding Deluxe 3Die Set for your reloading needs. This guide provides important safety instructions to ensure safe and effective use of the product. Please read this manual carefully before using the die set.

General Safety Guidelines

- Always use the die set in accordance with the manufacturer's instructions.
- Keep the die set and all related tools out of reach of children and unauthorized users.
- Inspect the die set for any damage before each use. Do not use damaged dies.
- Always wear appropriate safety gear, such as safety glasses, when reloading ammunition.
- Store the die set in a dry, cool place to prevent rust and corrosion.
- Report any unsafe products or accidents to the appropriate authorities. Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that you are using the correct die set for the specific cartridge (6.506 Ackley Improved).
- Use only recommended components (brass, primers, powder, and bullets) as specified by the manufacturer.
- Do not exceed the maximum load specifications provided in reloading data.
- Avoid distractions while reloading to maintain focus and accuracy.
- Always doublecheck your measurements and settings before proceeding with reloading.
- Do not attempt to modify or alter the die set in any way.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Clean the die threads and apply a small amount of lubricant if necessary.
- Install the fulllength sizing die into the press and tighten securely.
- Install the neck sizing die and standard seating die following the same procedure.

2. Usage:

- Start with the fulllength sizing die to resize the brass cases.
- Follow the manufacturer's instructions for adjusting the die settings.
- Use the neck sizing die for cases that have already been fired in your firearm.
- Use the standard seating die to seat the bullet to the desired depth.
- Regularly check the settings and measurements to ensure consistency.

Disposal Instructions

- Dispose of any unused or unwanted reloading components in accordance with local regulations.
- Do not throw away the die set in regular trash. Check for local recycling programs or hazardous waste disposal options.
- Ensure that all materials are safely stored until proper disposal can be arranged.

Contact Information for Further Support

For any questions or concerns regarding the Redding Deluxe 3Die Set, please refer to the manufacturer's website or contact their customer service for assistance.

Thank you for your attention to these safety instructions. Enjoy your reloading experience with the Redding Deluxe 3Die Set!
