# T7 Turret Press Safety Instruction Guide

## Introduction

Thank you for choosing the T7 Turret Press. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before operating the press to understand the safety precautions and proper usage.

## General Safety Guidelines

- Ensure that the press is used in a welllit and clean area to prevent accidents.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when operating the turret press.
- Keep the work area free from clutter and distractions to maintain focus while working.
- Do not operate the press if you are tired, under the influence of drugs or alcohol, or feeling unwell.
- Regularly inspect the press for any signs of wear or damage before use.
- Store the turret press in a dry location to prevent rust and deterioration.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - The T7 Turret Press involves moving parts that can cause injury.
  - Use caution when handling dies and other components, as they may have sharp edges.
- **Avoiding Hazards:**
  - Keep hands and loose clothing away from moving parts during operation.
  - Ensure that the turret head is securely locked in place before use.
  - Do not attempt to modify or alter the press in any way that could affect its safety or performance.
- **Age and Audience Warnings:**
  - This product is not intended for use by children. Keep out of reach of children and unauthorized users.

## Instructions for Installation and Usage

- **Installation:**
  1. Place the T7 Turret Press on a stable and level workbench.
  2. Secure the press using appropriate fasteners if necessary, ensuring it does not move during operation.
  3. Attach the required dies by screwing them into the ram, ensuring they are tightened securely.
  4. If using the Automatic Primer Feed Assembly, follow the manufacturer's instructions for installation.
- **Usage:**
  1. Before starting, doublecheck that all components are securely attached and in good condition.
  2. Insert the cartridge case into the shell holder and position it under the die.
  3. Pull the ram handle down slowly and steadily to perform the desired operation.
  4. Release the handle and remove the finished cartridge case.
  5. Repeat the process as needed, ensuring to monitor for any unusual sounds or resistance.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the turret press reaches the end of its useful life, disassemble it and recycle the metal components.

where possible.

- Ensure that any hazardous materials (e.g., lubricants) are disposed of following local environmental guidelines.

## **Contact Information for Further Support**

For any safety inquiries or further assistance regarding the T7 Turret Press, please consult the manufacturer's website or contact your local retailer.

## **Conclusion**

By following the safety guidelines and instructions outlined in this manual, you can ensure a safe and effective experience with the T7 Turret Press. Always prioritize safety and report any unsafe conditions or incidents to the appropriate authorities. Thank you for your attention to these important safety measures.
