

# ULTRAMAG RELOADING PRESS

[Reloading](#) > [Reloading Presses](#) > [Single Stage Presses](#)

The UltraMag is the heavy duty workhorse of the Redding line, and is a no-nonsense high quality press. It is our favorite for large jobs and highly recommend it for the reloader needing a large frame press. The leverage system on this press (unlike most others) is connected to the top of the press frame which gives it literally tons of pressure without the usual concerns of press frame deflection or misalignment. This is an expensive press, but one we feel is worth the money, especially for long magnum cartridges.

## Attributes

- Name: [ULTRAMAG RELOADING PRESS](#)
- Manufacturer: [REDDING](#)
- Product no.: 749008331
- Mfr. No.: 70000

# ULTRAMAG RELOADING PRESS Safety Instruction Guide

## Introduction

Thank you for choosing the ULTRAMAG RELOADING PRESS by Redding. This heavyduty workhorse is designed for highquality performance in reloading large jobs. To ensure safe and effective use of the press, please read and follow these safety instructions carefully.

## General Safety Guidelines

- **Product Safety:** Always ensure the safe use of the ULTRAMAG RELOADING PRESS. This product is compliant with EU General Product Safety Regulation (GPSR) standards.
- **Potential Hazards:** Be aware of the potential hazards associated with using a reloading press, including pinch points, heavy weights, and the risk of misalignment.
- **Vulnerable Groups:** Keep this product out of reach of children and individuals who may not understand its operation.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements.
- **Recall Information:** Regularly check for any recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear safety glasses to protect your eyes from debris. Consider wearing gloves to protect your hands.
- **Work Area:** Ensure the work area is clean, dry, and welllit. Keep the area free from clutter to avoid accidents.
- **Stability:** Ensure the press is securely mounted to a stable workbench to prevent tipping or movement during operation.
- **Load Capacity:** Do not exceed the recommended load capacity of the press to avoid damage and ensure safe operation.
- **Handling Materials:** Handle all reloading components with care. Follow the manufacturer's guidelines for each component.

## Instructions for Installation and Usage

- **Installation:**
  1. Choose a sturdy workbench that can support the weight of the press and the materials being used.
  2. Securely mount the ULTRAMAG RELOADING PRESS to the workbench using bolts and washers to prevent movement.
  3. Ensure that the press is level and stable before use.
- **Usage:**
  1. **Preparation:** Gather all necessary materials, including brass cases, primers, powder, and bullets. Ensure you have the right tools for reloading.
  2. **Setting Up:** Adjust the press according to the instructions provided in the product manual. Ensure all parts are correctly aligned.
  3. **Reloading Process:**
    - Start by resizing the brass cases.
    - Insert primers carefully, ensuring they are seated properly.
    - Measure and add powder according to specifications.
    - Seat the bullets firmly and check for proper alignment.

4. **Cleaning:** After use, clean the press to remove any debris or residue. Follow the cleaning instructions in the product manual.

## **Disposal Instructions**

- Dispose of any used reloading materials and components in accordance with local regulations.
- Recycle packaging materials where possible. Follow local recycling guidelines to ensure proper disposal.

## **Contact Information for Further Support**

For any inquiries or support regarding the ULTRAMAG RELOADING PRESS, please refer to the manufacturer's contact information provided in the product manual or packaging.

By following these guidelines, you can ensure a safe and effective reloading experience with the ULTRAMAG RELOADING PRESS. Thank you for your attention to safety and responsible use of this product.
