

# Sinclair 7/8-14 Benchrest Press - SINCLAIR INTERNATIONAL BENCHREST C-FRAME RELOADING PRESS, 7/8"-14

[Reloading](#) > [Reloading Presses](#) > [Single Stage Presses](#)

Our Sinclair Custom Press is designed for bump-sizing benchrest cartridge shoulders in the field and in the reloading room. The features on this press are the result of input from dozens of benchrest shooters who use small, portable presses like these. Details like the 10-degree press tilt, the covered linkage, and the primer exit point make this press stand out from all others. Features:- Machined and contoured from a solid billet of aluminum.- A soft radius has been applied to all edges to eliminate sharp corners.- Primers exit through the bottom of the ram, keeping primer debris away from the linkages.- Throat opening of 2.5 inch will accept up to 308 case lengths for sizing (PPC's, BR's, 30x47, 308, etc.).- Heavy-duty linkage has no exposed clips, nuts, or bolts.- 10-degree press tilt for easy case insertion.- Optional mounting plate for quick takedown and compact storage.

# Sinclair 7/814 Benchrest Press Safety Instruction Guide

## Introduction

Thank you for choosing the Sinclair 7/814 Benchrest Press. This product is designed for precision reloading and bump sizing benchrest cartridge shoulders. To ensure safe and effective use, please follow the guidelines outlined in this safety instruction guide.

## General Safety Guidelines

- Always read and understand the entire instruction manual before using the press.
- Ensure that the work area is clean, well lit, and free from distractions.
- Use the press only for its intended purpose as described in this manual.
- Keep the press out of reach of children and vulnerable individuals.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when operating the press.
- Regularly inspect the press for any signs of wear or damage before use.
- Follow proper reloading practices to avoid accidents and ensure safety.

## Specific Safety Precautions for Use

- Ensure the press is securely mounted on a stable surface before use.
- Do not attempt to modify or alter the press in any way.
- Always ensure that the ram is in the correct position before inserting or removing cases.
- Never place your hands or any body part near moving parts of the press during operation.
- Use only compatible cartridges for sizing; do not exceed the specified throat opening of 2.5 inches.
- Be cautious of primer debris; ensure that the primer exit point is clear and unobstructed.
- Do not leave the press unattended while in use.

## Instructions for Installation and Usage

### 1. Installation

- Select a flat, stable surface for mounting the press.
- Use the optional mounting plate for quick takedown and compact storage.
- Securely attach the press to the surface using appropriate fasteners to prevent movement during operation.

### 2. Usage

- Before starting, ensure that the press is clean and free from obstructions.
- Adjust the press tilt to the 10 degree angle for easier case insertion.
- Insert the cartridge case into the throat opening.
- Operate the handle smoothly to bump size the cartridge shoulder.
- After use, clean any debris from the press and store it in a safe place.

## Disposal Instructions

- When the press reaches the end of its life or is no longer usable, dispose of it in accordance with local regulations.
- Remove all nonmetal components before recycling, if applicable.
- Do not dispose of the press in regular household waste. Check with local authorities for proper disposal.

methods.

## **Contact Information for Further Support**

For safety inquiries or more information about the Sinclair 7/814 Benchrest Press, please refer to the manufacturer's contact details provided with the product packaging.

## **Conclusion**

By adhering to these safety guidelines, you can ensure a safe and effective experience with your Sinclair 7/814 Benchrest Press. Always prioritize safety and proper handling to enjoy the benefits of precision reloading. Thank you for your attention to these important safety instructions.
