[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

## Designed for Premium Performance

The Berger 7mm Hybrid Target Bullets are the result of a great deal of research and engineering, all aimed at providing competition target shooters with the best possible projectile in order to ensure that they take home the trophy. The company's chief ballisticsian, Bryan Litz, designed the Berger 7mm Hybrid Target Bullets with a combination of features. First, the bullets feature a tangent ogive that makes them much more forgiving in relation to bullet-seating depth. Second, the bullets feature the secant ogive found on the company's popular VLD bullets, which perform superbly in the wind. Diameter: 0.284 inches Weight: 180 grains Boattail bullet design The Berger 7mm Hybrid Target Bullets ensure that, whatever your target, you'll be able to put rounds on it accurately and precisely.

# Safety Instruction Guide for Berger 7mm Hybrid Target Bullets

## Introduction

Thank you for choosing the Berger 7mm Hybrid Target Bullets. This guide provides essential safety instructions to ensure the safe use and handling of these products. Please read this document carefully before use to ensure compliance with safety regulations and best practices.

## General Safety Guidelines

- Always handle ammunition and bullets with care and respect.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Ensure that you are using the correct caliber and type of bullet for your firearm.
- Always wear appropriate safety gear, including eye and ear protection, when handling or firing firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Follow all local laws and regulations regarding the use and transportation of ammunition.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Misfires or hangfires may occur; always follow safe firearm practices.
  - Improper seating depth can affect accuracy and safety; ensure correct bullet seating.
  - Always check for barrel obstructions before firing.
- **Avoiding Hazards:**
  - Do not exceed the recommended load data for your firearm.
  - Avoid using damaged or corroded bullets.
  - Do not modify the bullets in any way.
- **AgeSpecific Warnings:**
  - These bullets are intended for use by individuals who are legally allowed to handle firearms. Ensure that users are of legal age and have proper training.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure your reloading equipment is clean and in good working order.
  - Follow the manufacturer's instructions for your specific reloading equipment.
  - Use a reliable scale to measure powder charges accurately.
- **Usage:**
  - Insert the bullet into the case mouth and seat it to the recommended depth.
  - Ensure that the bullet is seated straight to prevent chambering issues.
  - Store loaded ammunition in a safe and secure manner.

## **Disposal Instructions**

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not dispose of bullets in regular household waste.
- Contact local authorities or waste management facilities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Berger 7mm Hybrid Target Bullets, please reach out to the designated EU contact point provided by the retailer or manufacturer.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your Berger 7mm Hybrid Target Bullets. Always prioritize safety and compliance with local laws to protect yourself and others. Thank you for your attention to these important guidelines.
