# Safety Instruction Guide for MTM CaseGard Slip Top Rifle Ammo Boxes

## Introduction

Thank you for choosing the MTM CaseGard Slip Top Rifle Ammo Boxes. These ammunition cases are designed for the safe storage and transportation of various rifle cartridges. This guide provides important safety instructions to ensure the proper use and handling of this product in compliance with the European General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle ammunition with care and store it in a secure location.
- Ensure that the ammo boxes are used only for the cartridges specified in the product description.
- Keep ammunition out of reach of children and unauthorized persons.
- Regularly inspect the ammo boxes for any signs of damage, wear, or deterioration.
- If any damage is observed, discontinue use immediately and replace the product.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always verify that the ammo boxes are compatible with the specific cartridge types you intend to store.
- Do not expose the ammo boxes to extreme temperatures, moisture, or direct sunlight, as this may affect their integrity.
- Avoid overloading the ammo boxes beyond their specified capacity of 20 rounds.
- Ensure that the lid of the ammo box is securely closed during transport to prevent accidental opening.
- When transporting, keep the ammo boxes in an upright position to avoid shifting and potential damage to the cartridges.
- If you notice any unusual odors or signs of leakage, cease use immediately and assess the situation.

## Instructions for Installation and Usage

### 1. Loading the Ammo Box:

- Open the lid of the ammo box.
- Carefully place the cartridges into the designated slots, ensuring they are oriented correctly.
- Close the lid securely once all cartridges are loaded.

### 2. Transporting the Ammo Box:

- Always carry the ammo box in a secure manner, preferably in a dedicated compartment of your bag or vehicle.
- Avoid placing heavy items on top of the ammo box during transport.

### 3. Storing the Ammo Box:

- Store the ammo box in a cool, dry place away from direct sunlight and heat sources.
- Ensure that the storage area is locked and inaccessible to children.

### 4. Inspection:

- Regularly check the ammo box for any signs of wear or damage.

- Clean the exterior of the ammo box with a damp cloth if necessary, but avoid using harsh chemicals.

## **Disposal Instructions**

- Dispose of any damaged or unusable ammo boxes in accordance with local regulations.
- Do not incinerate or expose the ammo boxes to open flames.
- If the ammo box is no longer needed, consider recycling it if possible, following your local recycling guidelines.

## **Contact Information for Further Support**

For any safety inquiries or assistance regarding this product, please refer to the contact details provided with your purchase or consult the retailer from whom you obtained the product.

Thank you for following these safety instructions. Your safety and the safe handling of ammunition are of utmost importance. Enjoy your shooting experience responsibly!
