

O-RING SNOOTS FOR ADJUSTABLE ROD GUIDES - SINCLAIR INTERNATIONAL O-RING SNOOT FOR #2 AP ROD GUIDE, 6MM/284 CALIBER

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

These o-ring snouts are an upgrade to our Adjustable Rod Guides to give you an even better seal in the chamber. These snouts are of the same design as the snouts on our solid Delrin one-piece rod guides. Currently available in selected cartridge family sizes (both short and long action) for our .17 thru .25 caliber and 6.5mm thru .30 caliber All-Purpose Rod Guides. If you need help in ordering these please call and talk to one of our Sales Representatives. Snouts also fit the older Stoney Point small and medium rod guides.

ORING SNOUTS FOR ADJUSTABLE ROD GUIDES

SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the ORING SNOUTS FOR ADJUSTABLE ROD GUIDES by Sinclair International. This product is designed to enhance the performance of your adjustable rod guides, providing a better seal in the chamber. Please read this safety instruction guide carefully to ensure safe and proper usage of the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in the product specifications.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Regularly inspect the product for any signs of wear or damage before use.
- If you notice any abnormalities, discontinue use immediately and seek assistance.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses, when using this product.
- Avoid using the Oring snouts in conditions that exceed the manufacturer's recommended specifications.
- Ensure that the product is compatible with your existing rod guides before installation.
- Do not attempt to modify or alter the product in any way.
- Follow all manufacturer instructions for installation and usage to prevent hazards.

Instructions for Installation and Usage

1. Preparation:

- Ensure all necessary tools and materials are available for installation.
- Clean the rod guide area thoroughly to remove any debris or old materials.

2. Installation:

- Carefully remove any existing snouts from your adjustable rod guides.
- Align the Oring snouts with the rod guide opening.
- Gently press the Oring snouts into place until they fit securely.
- Ensure that there are no gaps between the snouts and the rod guides.

3. Usage:

- Once installed, check the fit of the Oring snouts before use.
- Use the adjustable rod guides as per the manufacturer's instructions.
- Regularly check the Oring snouts for wear and replace them if necessary.

Disposal Instructions

- Dispose of the Oring snouts and any packaging materials in accordance with local waste disposal regulations.
- Do not dispose of the product in household waste if it is deemed hazardous.

Contact Information for Further Support

For any questions or concerns regarding the ORING SNOUTS FOR ADJUSTABLE ROD GUIDES, please reach out to your local retailer or the manufacturer for assistance.

By following these guidelines, you can ensure a safe and effective experience with your ORING SNOUTS FOR ADJUSTABLE ROD GUIDES. Thank you for your attention to safety.
