

# TRIPLE-SHOCK X 22 CALIBER (0.224") BULLETS - BARNES BULLETS TSX 22 CALIBER (0.224") FLAT BASE 55GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

This lead-free, 100% copper-constructed bullet provides extreme penetration every time. Typically, this premium hunting bullet retains 100% of its original weight even after smashing through dense tissue and heavy bone. The Triple - Shock bullet design incorporates a series of precisely positioned rings cut into the bullet's body. These grooves relieve firing pressure, allowing the TSX to be safely loaded to higher velocities while reducing copper fouling. The bonus is that this is one of the most accurate hunting bullets you can buy.

Barnes 22 cal. 55 gr. (22./5.56) Triple Shock X Bullets - 50

## Attributes

- Name: [BARNES BULLETS TSX 22 CALIBER \(0.224"\) FLAT BASE 55GR 50/BOX](#)

# Safety Instruction Guide for TRIPLESHTOCK X 22 CALIBER (0.224") BULLETS

## Introduction

Thank you for choosing the TRIPLESHTOCK X 22 CALIBER (0.224") BULLETS by Barnes. This guide provides essential safety instructions and guidelines for the safe handling, use, and disposal of these bullets. Please read this document carefully to ensure your safety and the safety of others.

## General Safety Guidelines

- Ensure safe handling of all ammunition and firearms.
- Always treat every bullet as if it is loaded.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized individuals.
- Use appropriate personal protective equipment (PPE) when handling bullets, including eye protection.
- Regularly check for product recalls and safety alerts on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Always follow the manufacturer's recommendations for firearm compatibility.
- Use only in firearms specifically designed for 22 caliber (0.224") ammunition.
- Never exceed the recommended load specifications.
- Avoid using damaged or corroded bullets.
- Do not attempt to modify or disassemble bullets.
- Be aware of your surroundings when firing, ensuring a safe backstop is in place.
- Use appropriate hearing protection when shooting.

## Instructions for Installation and Usage

- Ensure your firearm is unloaded before installing or handling bullets.
- Load bullets into the magazine or chamber of the firearm according to the manufacturer's instructions.
- Keep your finger off the trigger until you are ready to fire.
- Aim only at targets you intend to shoot, and ensure the area is clear of people and animals.
- Fire only in designated shooting areas or ranges.
- After use, clean your firearm according to the manufacturer's guidelines to ensure optimal performance and safety.

## Disposal Instructions

- Dispose of any unused or expired bullets in accordance with local regulations.
- Do not throw bullets in the regular trash.
- Contact local authorities or waste disposal facilities for safe disposal options.
- Ensure that any fired casings are collected and disposed of properly to prevent environmental contamination.

## Contact Information for Further Support

For safety inquiries or concerns regarding the TRIPLESHTOCK X 22 CALIBER (0.224") BULLETS, please refer to the manufacturer's website or customer service resources.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on responsible handling and use of ammunition.
