

# TRIPLE-SHOCK X 22 CALIBER (0.224") BULLETS - TSX 22 CALIBER (0.224") BOAT TAIL 62GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

This lead-free, 100% copper-constructed bullet provides extreme penetration every time. Typically, this premium hunting bullet retains 100% of its original weight even after smashing through dense tissue and heavy bone. The Triple - Shock bullet design incorporates a series of precisely positioned rings cut into the bullet's body. These grooves relieve firing pressure, allowing the TSX to be safely loaded to higher velocities while reducing copper fouling. The bonus is that this is one of the most accurate hunting bullets you can buy.

## Attributes

- Name: [TSX 22 CALIBER \(0.224"\) BOAT TAIL 62GR 50/BOX](#)
- Manufacturer: [BARNES BULLETS](#)
- Product no.: 749009039

# Safety Instruction Guide for TRIPLESHTOCK X 22 CALIBER (0.224") BULLETS

## Introduction

Thank you for choosing the TRIPLESHTOCK X 22 CALIBER (0.224") BULLETS. This product is designed for high performance hunting while ensuring safety during usage. Please read this safety instruction guide carefully to understand how to use the product safely and effectively in compliance with EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure safe handling and storage of ammunition at all times.
- Keep ammunition out of reach of children and vulnerable individuals.
- Always use appropriate personal protective equipment (PPE) when handling and shooting.
- Store ammunition in a cool, dry place to prevent deterioration.
- Check for any recalls or safety alerts regarding this product on the EU's Safety Gate platform.
- Report any unsafe products or accidents to local authorities immediately.

## Specific Safety Precautions for Use

- Always treat every bullet as if it is loaded.
- Never point a firearm at anything you do not intend to shoot.
- Ensure the firearm is in good working condition before use.
- Use only in firearms that are specifically chambered for .22 caliber (0.224") ammunition.
- Do not exceed the recommended load specifications.
- Avoid using damaged or deformed bullets.
- Follow all local laws and regulations regarding ammunition use.

## Instructions for Installation and Usage

### • Loading the Ammunition:

- Check the firearm's manual for specific loading instructions.
- Load ammunition into the magazine or chamber as instructed.

### • Firing the Ammunition:

- Ensure the firearm is pointed in a safe direction.
- Keep your finger off the trigger until ready to fire.
- Use appropriate shooting stance and grip for stability.

### • PostFiring:

- After firing, ensure the firearm is clear of any obstructions.
- Store any unused ammunition safely, following the storage guidelines.

### • Cleaning and Maintenance:

- Clean the firearm regularly according to the manufacturer's instructions.
- Inspect bullets for signs of corrosion or damage before use.

## **Disposal Instructions**

- Dispose of any unused or damaged ammunition according to local regulations.
- Do not throw ammunition in the regular trash.
- Contact local authorities or a licensed disposal facility for proper disposal options.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the TRIPLESHTOCK X 22 CALIBER (0.224") BULLETS, please refer to your local distributor or retailer for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your TRIPLESHTOCK X 22 CALIBER (0.224") BULLETS. Thank you for prioritizing safety in your hunting activities.
