

TIPPED TSX® 25 CAL (.308") POLYMER TIP BOAT TAIL RIFLE BULLETS - TIPPED TRIPLE SHOCK X 25 CALIBER (0.257") BT 100GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

With all of the benefits of the TSX, these bullets have a polymer tip that boosts B.C. and initiates expansion. The re-engineered nose cavity provides faster expansion and devastating terminal performance. Barnes' TSX Bullet offers all the deadly effectiveness of the time-proven X Bullet. Features include all-copper construction, no fragmentation, rapid expansion, 28% deeper penetration than lead-core bullets, and maximum weight retention. The TSX has proven to be one of the most accurate hunting bullets available—a fact countless shooters have confirmed. An exclusive feature of the TSX Bullet is multiple, precisely engineered rings cut into the bullet shank. These grooved rings act as relief valves as bullet metal flows under pressure while traveling down the bore. Instead of flowing from the front to the base of the bullet, the copper material expands into the grooves. This results in reduced pressures and less copper fouling. Reduced pressures mean the bullet can be safely loaded to higher velocities. The rings also alter barrel harmonics, greatly improving accuracy. Polymer Tip Boat Tail

Attributes

- Name: [TIPPED TRIPLE SHOCK X 25 CALIBER \(0.257"\) BT 100GR 50/BOX](#)
- Manufacturer: [BARNES BULLETS](#)
- Product no.: 749009042
- Mfr. No.: 30220
- Ballistic Coefficient (G1): 0.357
- Brand Style: Tipped Triple Shock X
- Bullet Style: Boat Tail (BT)
- Caliber: 25 Caliber
- Diameter (Breech): 0.257
- Diameter (in): 0.257
- Grain: 100
- Sectional Density: 0.216
- Quantity: 50
- Delivery weight: 0.363kg
- Shipping height: 36mm
- Shipping width: 51mm
- Shipping length: 84mm
- UPC: 716876257348

Safety Instruction Guide for TIPPED TSX® 25 CAL (.308") POLYMER TIP BOAT TAIL RIFLE BULLETS

Introduction

Thank you for choosing the TIPPED TSX® 25 CAL (.308") POLYMER TIP BOAT TAIL RIFLE BULLETS. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this guide carefully before using the bullets to understand potential hazards and how to mitigate them.

General Safety Guidelines

- Ensure that all users of this product are knowledgeable about firearms and ammunition safety.
- Always treat every firearm as if it is loaded.
- Store ammunition in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Regularly check for product recalls on the EU's Safety Gate platform.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals who are 18 years of age or older. Ensure that minors are supervised by a responsible adult at all times.
- **Firearm Compatibility:** Only use these bullets in firearms that are specifically designed for .25 caliber ammunition.
- **Loading and Unloading:**
 - Always follow the manufacturer's instructions when loading and unloading your firearm.
 - Ensure the firearm is pointed in a safe direction at all times when loading and unloading.
- **Handling:**
 - Do not handle ammunition with wet hands or gloves.
 - Inspect the bullets for any signs of damage before use.
- **Shooting Environment:**
 - Use these bullets only at designated shooting ranges or in areas where shooting is permitted.
 - Ensure that the shooting area is clear of people, animals, and obstructions.

Instructions for Installation and Usage

- **Loading the Bullets:**
 1. Open the ammunition box carefully.
 2. Inspect each bullet for any defects.
 3. Load the bullets into the firearm magazine according to the manufacturer's guidelines.
- **Shooting:**
 - Always wear appropriate eye and ear protection while shooting.
 - Follow all safety protocols for the shooting range or location.
 - Do not fire the weapon if you suspect a squib load (a bullet that gets lodged in the barrel).
- **PostShooting Care:**
 - Clean your firearm according to the manufacturer's instructions after use.
 - Store any remaining bullets in a safe, secure location.

Disposal Instructions

- Dispose of used or damaged ammunition according to local regulations.
- Do not throw bullets in regular trash.
- Contact local waste management facilities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the TIPPED TSX® 25 CAL (.308") POLYMER TIP BOAT TAIL RIFLE BULLETS, please refer to the manufacturer's website or contact their customer service for assistance.

This guide is designed to ensure that you have a safe and enjoyable experience with your TIPPED TSX® bullets. Always prioritize safety and responsibility in all firearmrelated activities.
