

# TIPPED TSX® 30 CAL (.308") POLYMER TIP FLAT BASE RIFLE BULLETS - TIPPED TSX 30 CAL (0.308") FLAT BASE 110GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

With all of the benefits of the TSX, these bullets have a polymer tip that boosts B.C. and initiates expansion. The re-engineered nose cavity provides faster expansion and devastating terminal performance. Barnes' TSX Bullet offers all the deadly effectiveness of the time-proven X Bullet. Features include all-copper construction, no fragmentation, rapid expansion, 28% deeper penetration than lead-core bullets, and maximum weight retention. The TSX has proven to be one of the most accurate hunting bullets available—a fact countless shooters have confirmed. An exclusive feature of the TSX Bullet is multiple, precisely engineered rings cut into the bullet shank. These grooved rings act as relief valves as bullet metal flows under pressure while traveling down the bore. Instead of flowing from the front to the base of the bullet, the copper material expands into the grooves. This results in reduced pressures and less copper fouling. Reduced pressures mean the bullet can be safely loaded to higher velocities. The rings also alter barrel harmonics, greatly improving accuracy. Polymer Tip Boat Tail

## Attributes

- Name: [TIPPED TSX 30 CAL \(0.308"\) FLAT BASE 110GR 50/BOX](#)
- Manufacturer: [BARNES BULLETS](#)
- Product no.: 749009046
- Mfr. No.: 30362
- Ballistic Coefficient (G1): 0.295
- Brand Style: Tipped Triple Shock X
- Bullet Style: Flat Base (FB)
- Caliber: 30 Caliber
- Diameter (Breech): 0.308
- Diameter (in): 0.308
- Grain: 110
- Sectional Density: 0.166
- Quantity: 50
- Delivery weight: 0.363kg
- Shipping height: 36mm
- Shipping width: 51mm
- Shipping length: 84mm
- UPC: 716876308712

## Item details

Made in USA

US export classification: 0A505.x

# TIPPED TSX® 30 CAL (.308") POLYMER TIP FLAT BASE RIFLE BULLETS Safety Instruction Guide

## Introduction

Thank you for choosing the TIPPED TSX® 30 CAL (.308") Polymer Tip Flat Base Rifle Bullets. This guide provides essential safety instructions to ensure the safe handling, usage, and disposal of this product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to understand how to use this product safely and responsibly.

## General Safety Guidelines

- Ensure that you handle all ammunition with care and store it in a secure location out of reach of children and unauthorized individuals.
- Always treat all firearms and ammunition as if they are loaded and ready to fire.
- Use the correct caliber and type of bullets for your firearm to prevent malfunctions and ensure safety.
- Regularly inspect your firearm and ammunition for any signs of damage or wear before use.
- Follow all local laws and regulations regarding the use and storage of ammunition.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals who are 18 years of age or older. Ensure that minors do not have access to this product.
- **Protective Gear:** Always wear appropriate eye and ear protection when handling firearms and ammunition.
- **Safe Handling:**
  - Do not point the firearm at anything you do not intend to shoot.
  - Keep your finger off the trigger until you are ready to fire.
- **Environment:** Use this product only in designated shooting areas or ranges where it is legal and safe to do so.
- **Emergency Procedures:** Familiarize yourself with emergency procedures in case of an accidental discharge or other incidents.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your firearm is unloaded and pointed in a safe direction before loading ammunition.
- Inspect the TIPPED TSX® bullets for any visible defects or damage.

### 2. Loading the Bullets:

- Open the ammunition box and remove the bullets carefully.
- Load the bullets into the magazine or chamber of your firearm according to the manufacturer's instructions.

### 3. Firing the Bullets:

- Once the firearm is loaded, ensure that you are in a safe shooting position.
- Aim at the intended target and follow standard firing procedures.
- After firing, wait a moment before approaching the target to ensure that there are no further hazards.

#### **4. Postusage:**

- After use, unload your firearm in a safe manner.
- Store any remaining bullets in a secure location, away from children and unauthorized users.

## **Disposal Instructions**

- Dispose of any unused or damaged bullets in accordance with local regulations regarding hazardous waste.
- Do not throw bullets in regular trash. Check with local authorities for proper disposal methods.
- If you experience a malfunction or misfire, follow the manufacturer's guidelines for safely handling and disposing of misfired ammunition.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety of this product, please consult with your local retailer or contact the manufacturer directly. It is important to ensure that you have the most accurate and up-to-date information regarding product safety.

By following these guidelines, you can help ensure a safe and enjoyable experience with the TIPPED TSX® 30 CAL (.308") Polymer Tip Flat Base Rifle Bullets. Always prioritize safety and responsibility when handling firearms and ammunition.
